Revenue Service,1995 *Pre-1841 Censuses & Population Listings in the British Isles* Colin R. Chapman,1998 It has long been an article of faith that the census of 1841 was the first British census to list the names of individuals In nearly 90 pages of text accompanied by unique notes and references to original documents Mr Chapman explodes this myth by describing hundreds of pre 1841 name lists censuses poll lists national surveys tax lists parish enumerations etc explaining most of them as far as possible in their historical framework As logic would dictate the work follows a chronological pattern and for this new fifth edition the author has appended in Appendix I a county by county breakdown of the various censuses containing individuals names with the dates of those censuses and for completeness in Appendix II he has added a list of decennial censuses containing names of individuals from 1801 to 1831 This new fifth edition completely rewritten incorporates over 200 additional listings for Ireland making it a unique chronological account of censuses and enumerations in the British Isles from 1086 to 1841 Publisher s description **Real Estate Record and Builders' Guide** ,1895 **Kiplinger's Personal Finance** ,1985-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics *Congressional Record* United States.
