The TRUE Bible Timeline R. Craig Bridgforth, 2021-03-10. It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth. Proponents conclude that since the church is unsure of when these events transpired perhaps they never happened in the first place. Unfortunately this alarming trend appears to be gaining more acceptance in our seminaries and churches. The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament. The result of a five year long project it accurately establishes and painstakingly documents the dates of key Bible figures and events starting with the Creation of Adam and ending at the Cross of Christ. The complete chronology for 200 Bible events is included in the appendix. Guided by His Wisdom author R. Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight. Developed almost entirely from Scripture this reference guide provides a reliable chronology of events and figures from the Old Testament.

A Marriage Covenant: Not For Women Only Linda Anderson, 2017-07-05. Have you ever wondered why the Bible contains certain specific elements such as the proliferation of the numbers seven or ten? Or why Peter and Andrew caught specifically 153 fish when Jesus told them to put their net on the opposite side of the boat? I wondered. That curiosity led me to a bigger change in my understanding of scripture than I could have imagined. It literally revolutionized my bible study practice. I am going to let you in on the secret. It is learning to see Scripture through more of a Jewish mindset. Jesus was Jewish and so was the majority of his audience and the majority of the authors that wrote the Bible. That culture is far different from ours. Therefore it behooves us to attempt to learn something of what Jesus Christ and writers of the word meant when they penned their words. As a serious student of the word I have spent over twenty years

examining and teaching on God's marriage covenant from that perspective. Many of the theories we have been taught about prophecy, the rapture, or lack thereof, are brilliantly clear in meaning when we look at them through eyes that understand Jewish culture and the true meaning of the concept of covenant in Hebrew.
