Student Centered, Innovation Driven Richard D. Muma, 2025-08-26 In *Student Centered Innovation Driven*, Wichita State University President Rick Muma shares the unvarnished, hard fought transformation of a mid sized public research university into a national model for applied learning, research and industry collaboration. Higher education is at a crossroads. Shrinking enrollments, increasing demands for workforce alignment and the ever changing expectations of students and communities require bold leadership and innovative solutions. Drawing from his own experiences, President Muma guides fellow university leaders through an exploration of embracing change, viewing existing assets through a fresh lens and building student first institutions that thrive in today's evolving educational landscape. This book serves as both a reflection on Wichita State's transformation and a thought provoking workbook inviting readers to assess their own institutions and chart a path forward. Whether you're a university president, provost or administrator seeking inspiration and practical guidance, *Student Centered Innovation Driven* offers a compelling case study on how innovation, access and affordability can drive meaningful institutional success even when the path forward is anything but easy.
