Neurologie Nicolas Danziger:

Medicine in the Days of the Pharaohs Bruno Halioua, Bernard Ziskind, 2005 Evidence of the medical practice of ancient Egypt has come down to us not only in pictorial art but also in papyrus scrolls in funerary inscriptions and in the mummified bodies of ancient Egyptians themselves Halioua and Ziskind provide a comprehensive account of pharaonic medicine that is illuminated by what modern science has discovered about the lives and deaths of people from all walks of life
