Millicent Hughes, 1894 **Monthly Catalogue, United States Public Documents**, 1983 Encyclopedia of Educational Reform and Dissent Thomas C. Hunt, Thomas J. Lasley, II, 2010-01-12 The history of American education is replete with educational reform and to a lesser extent educational dissent Consider the present you have various forms of privatization school choice the No Child Left Behind act home schooling value added accountability alternative teacher preparation programs on line instruction etc This range of activity is not exceptional For instance consider the past progressive education open education the junior high school the middle school Life Adjustment education career education vocational education the comprehensive high school school to work year round schooling behavioral objectives proficiency exams high stakes testing whole language learning packages and self paced instruction modular scheduling site based management all presented as the way to reform American schools at least in part Then you have the reformers themselves such as John Dewey George Counts Herbert Kohl John Holt Charles Silberman Admiral Hyman Rickover James Bryant Conant all the way back to Horace Mann himself Dissenters and dissenting movements while not as numerous and certainly not as well known in educational circles count the various faith based schools and individuals such as Archbishop Hughes of New York Clearly this is an area rich in ideas rife with controversy and vital in its outcome for individuals and the nation as a whole And yet strangely enough there exists no major encyclopedia bringing the varied strands together in one place as a ready reference for scholars teachers school administrators and students studying to enter the educational profession This two volume work is intended to be that authoritative resource Key themes and topics include biographies of reformers and dissenters theoretical and ideological perspectives key programs and legislation judicial verdicts impacting educational change in America the politics and processes of educational reform and policy making dissent and resistance to reform technology s impact on educational reform A Reader s Guide in the front matter groups entries around such themes to help readers find related entries more easily **Journal of the House of Representatives of the United States** United States. Learning to be Literate Margaret M Clark, 2016-03-10 Winner of the prestigious UK Literacy Association Academic Book Award for 2015 in its original edition this fully revised edition of Learning to be Literate uniquely analyses research into literacy from the 1960s through to 2015 with some surprising conclusions Margaret Clark explores the argument that young children growing up in a literate environment are forming hypotheses about the print around them including environmental print television computer games and mobile phones In a class where no child can yet read there is a wide range of understanding with regards to concepts of print and the critical features of written language While to any literate adult the relationship between spoken and written language may be obvious young children have to be helped to discover it This persuasive argument demonstrates the value of research in order to make informed policy decisions about children s literacy development Accessible and succinct Professor Clark s writing brings into sharp focus the processes involved in becoming literate The effect on practice of many recent government policies she claims run counter to these insights The key five thematic sections are backed up with case studies throughout and include Insights from Literacy Research 1960s to 1980s Young Literacy Learners how we can help them Curriculum Developments and Literacy Policies 1988 to 1997 a comparison between England and Scotland Synthetic Phonics and Literacy Learning government policy in England 2006 to 2015 Interpretations of Literacy in the Twenty first Century

Marketing Fear in America's Public Schools Leslie Poynor, Paula Wolfe, 2005-01-15 Marketing Fear in America s Public Schools The Real War on Literacy is an eye opening examination of the real world consequences of the political pressures and influences on teachers today In particular it looks at how the political actions of the conservative right disempower and control teachers school districts parents and children through an atmosphere of fear used as a strategy to ensure that schools follow the conservative political agenda supporting and imposing mandates such as increased accountability high stakes testing and direct intense direct instruction phonics programs The book offers a unique look not at not only what the conservative factions are doing but why The volume includes chapters on resistance to the conservative

agenda national and or federal agendas and actions that directly or indirectly contribute to the privatization and corporate control of public education the linkage of federal policy to the disappearance or promotion of particular philosophical and pedagogical approaches and the role of the media in perpetuating the agendas of the corporate and political right Many teachers across the U S are frustrated and angry about the outside legislative constraints placed on their work but at the same time frightened of losing their jobs and or being faced with a lawsuit The book s premise is that one must understand the motives behind the current educational reforms in order to resist them The editors and contributors envision the volume as a voice for an alternative to compliance with unreasonable mandates and thus as a message of hope Marketing Fear in America s Public Schools The Real War on Literacy is important reading for teachers teacher educators education students school administrators and other education professionals researchers concerned with literacy critical theory pedagogy and educational policy and parents and community activists concerned with the politics of schooling and school reform It is will serve well as a text in a range of courses across the field of education A Web site for the book can be found at <http://www.erlbaum.com/poynor>
