Necessary Illusions Thought Control In Democratic Societies Massey Lecture:

Necessary Illusions Noam Chomsky, 1995-09-02 In his national bestselling 1988 CBC Massey Lectures Noam Chomsky inquires into the nature of the media in a political system where the population cannot be disciplined by force and thus must be subjected to more subtle forms of ideological control Specific cases are illustrated in detail using the U S media primarily but also media in other societies Chomsky considers how the media might be democratized as part of the general problem of developing more democratic institutions in order to offer citizens broader and more meaningful participation in social and political life The Real World of Democracy C.B. Macpherson, 1992-04-29 In his 1964 CBC Massey Lectures C B

Macpherson examines the rival ideas of democracy the communist Third World and Western liberal variants and their impact on one another He suggests that the West need not fear any challenge to liberal democracy if it is prepared to re examine and alter its own values Intellectual Citizenship and the Problem of Incarnation Peter Eglin, 2012-11-08 Who has the right

to know asks Jean Francois Lyotard Who has the right to eat asks Peter Madaka Wanyama This book asks what does it mean to be a responsible academic in a northern university given the incarnate connections between the university s operations and death and suffering elsewhere Through studies of the neoliberal university in Ontario the imperial university in relation to East Timor the chauvinist university in relation to El Salvador and the gendered university in relation to the Montreal Massacre the author challenges himself and the reader to practice intellectual citizenship everywhere from the classroom to the university commons to the street Peter Eglin argues that the moral imperative to do so derives from the concept of incarnation Herethe idea of incarnation is removed from its Christian context and replaced with a political economic interpretation of the embodiment of exploited labor This embodiment is presented through the material goods that link the many s compromised right to eat with the privileged few s right to know **The Political Appropriation of the Muslim Body**

Susan S.M. Edwards, 2021-04-05 Drawing upon law politics sociology and gender studies this volume explores the ways in which the Muslim body is stereotyped interrogated appropriated and demonized in Western societies and subject to counter terror legislation and the suspension of human rights The author examines the intense scrutiny of Muslim women s dress and appearance and their experience of hate crimes as well as how Muslim men s bodies are emasculated effeminized and subjected to torture Chapters explore a range of issues including Western legislation and foreign policy against the Other orientalism Islamophobia masculinity the intersection of gender with nationalism and questions about diversity inclusion religious freedom citizenship and identity This text will be of interest to scholars and students across a range of disciplines including sociology gender studies law politics cultural studies international relations and human rights

Analysing the Israel Effect in Canada Peter Eglin, 2024-05-21 What is the life of a Palestinian worth to intellectuals in Canadian universities and news media Analyzing the Israel Effect documents and analyzes the discursive and organizational methods by which public criticism of Israel s oppression of the Palestinians is silenced in Canada as experienced through ten

episodes in the life of the author over a thirty year period from 1990 2020 in interaction with his university and local and national Canadian news media As a sociological work the book is a critical autoethnography But it is also an atrocity tale a horror story of institutional self censorship amounting to the abrogation of intellectual responsibility by those specifically charged with upholding it In the end the book is a crossover between academic treatise and journalistic expos a historical narrative written by an academic from the standpoint of a political participant observer Rajan Philips The Israel Effect itself is analyzed as a three tier propaganda industry Hasbara is produced in Israel Tier 1 disseminated to Israel Lobby groups around the world Tier 2 and independently re produced actively and passively by the intellectual institutions universities and news media Tier 3 This book is about the non Jewish non Zionist institutions of Tier 3 the onlookers to war crimes ethnic cleansing and arguably genocide as in Gaza in October November 2023 This work stands as a compelling testament to the importance of preserving freedom of expression and the vital role intellectuals play in challenging injustice and promoting transparency It is ideal for scholars activists and anyone seeking to understand the complexities of political activism and the power dynamics behind public discourse Communication And The Transformation Of Economics Robert E

Babe,2018-10-08 This book proposes that infusing mainline economics with more expansive and realistic conceptions of information communication transforms static neoclassicism into evolutionary political economy It results in modes of analysis that when applied through policy can lead to a sustainable future Risky Business Michael D. Mehta,2005-01-01 This David and Goliath story chronicles and analyzes how a small under funded public interest group Durham Nuclear Awareness of Oshawa Ontario mobilized opposition to the December 1994 re licensing of the Pickering Nuclear Generating Station Michael D Mehta explores the struggle between Durham Nuclear Awareness and Canada s nuclear establishment to illustrate how risk as a concept can be used to understand contemporary political conflicts **Necessary Illusions Thought Control in Democratic Societies** ,1995 In his national bestselling 1988 CBC Massey Lectures Noam Chomsky inquires into the nature of the media in a political system where the population cannot be disciplined by force and thus must be subjected to more subtle forms of ideological control Specific cases are illustrated in detail using the U S media primarily but also media in other societies Chomsky considers how the media might be democratized as part of the general problem of developing more democratic institutions in order to offer citizens broader and more meaningful participation in social and political life

Managing the Counterrevolution Stephen M. Streeter, 2000 The Eisenhower administration's intervention in Guatemala is one of the most closely studied covert operations in the history of the Cold War Yet we know far more about the 1954 coup itself than its aftermath This book uses the concept of counterrevolution to trace the Eisenhower administration's efforts to restore U S hegemony in a nation whose reform governments had antagonized U S economic interests and the local elite Comparing the Guatemalan case to U S sponsored counterrevolutions in Iran the Dominican Republic Brazil and Chile reveals that Washington's efforts to roll back communism in Latin America and elsewhere during the Cold War represented in reality a short term strategy to protect core American interests from the rising tide of Third World nationalism
