

The background of the cover is a painting of a woman with long, dark, wavy hair and striking blue eyes. She is looking down at a glowing, blue, spherical object she is holding in her hands. The object has a textured, crystalline appearance. The background behind her is a soft, hazy landscape with rolling hills and a warm, golden light, suggesting a sunset or sunrise. The overall tone is ethereal and magical.

Negotiation A Twelve Kingdoms Novella:

The Crown of the Queen Jeffe Kennedy, 2016-05-29 It's been a lifetime since librarian Dafne Mailloux saw the coronation of the tyrant who destroyed her family. She did her part to pull him off the High Throne. But his daughter would be Queen and her sisters must still tame their conquest. If her victory is to last, Dafne must forge peace with the subtle, ruthless methods of a diplomat and the worst memories of her life.

The Snows of Windroven Jeffe Kennedy, 2019-10-27 Two Novellas of The Twelve Kingdoms together for the first time: The Snows of Windroven and the prequel story Negotiation.

The Lost Princess Returns Jeffe Kennedy, 2020-06-29 More than two decades have gone by since Imperial Princess Jenna, broken in heart and body, fled her brutal marriage and the land of her birth. She's since become Ivarel, warrior priestess of Danu, trainer of elephants, wife and mother. Wiser, stronger, happier, Ivarel has been content to live in her new country to rest her battered self and to recover from the trauma of what happened to her when she was barely more than a girl. But magic has returned to the world abruptly and with frightening force, and Ivarel takes that profound change as a sign that it's time to keep a promise she made to the sisters she left behind. Ivarel must leave the safety she's found and return to face the horrors she fled. As Ivarel emerges from hiding, she discovers that her vicious brother is now Emperor of Dasnaria and her much-hated mother, the Dowager Empress Hulda, is aiding him in his reign of terror. Worse, it seems that Hulda's resurrection of the tainted god Deyrr came about as a direct result of Jenna's flight long ago. It's up to Ivarel and the girl she stopped being long ago to defeat the people who cruelly betrayed her and to finally liberate her sisters. Determined to cleanse her homeland of the evil that nearly destroyed her, Ivarel at last returns to face the past. But this time she'll do it on her own terms.

Intertextuality in the English Translations of San Guo Yan Yi Wenqing Peng, 2021-08-29 San Guo Yan Yi is one of the best-known classic Chinese novels in the English-speaking world. The earliest English translation came out in 1820, while a range of further translations have been produced over the past two hundred years. How do the different versions relate to each other? This volume examines the intertextual relations between the English translations of San Guo Yan Yi. Intertextuality refers to the interdependence of texts in relation to one another. Focusing on the perspectives of impact, quotation, parallels, and transformation, the author compares a range of the translated versions, including two full-length translations and over twenty excerpted renderings and partial adaptations, since the 1820s. She discovers that excerpted translations are selected to fit the translators' own narrations and are adapted to many genres, such as poetry, drama, fairytales, and textbooks. Moreover, the original text, translated texts, and other related English works are interconnected in one large network for which intertextuality offers an ideal basis for research. Students and scholars of Chinese literature and translation studies will benefit from this book.
