Finance Week
,2004-07 **Nurses on the Move** Mireille Kingma, 2018-07-05 South African nurses care for patients in London hospitals recruit Filipino nurses to Los Angeles and Chinese nurses practice their profession in Ireland In every industrialized country

of the world patients today increasingly find that the nurses who care for them come from a vast array of countries In the first book on international nurse migration Mireille Kingma investigates one of today s most important health care trends The personal stories of migrant nurses that fill this book contrast the nightmarish existences of some with the successes of others Health systems in industrialized countries now depend on nurses from the developing world to address their nursing shortages This situation raises a host of thorny questions What causes nurses to decide to migrate Is this migration voluntary or in some way coerced When developing countries are faced with nurse vacancy rates of more than 40 percent is recruitment by industrialized countries fair play in a competitive market or a new form of colonialization What happens to these workers and the patients left behind when they migrate What safeguards will protect nurses and the patients they find in their new workplaces Highlighting the complexity of the international rules and regulations now being constructed to facilitate the lucrative trade in human services Kingma presents a new way to think about the migration of skilled health sector labor as well as the strategies needed to make migration work for individuals patients and the health systems on which they depend *Collaborative capacity development to complement stroke rehabilitation in Africa* Quinette Louw,2020-12-31

This scholarly book focuses on stroke in Africa Stroke is a leading cause of disability among adults of all ages contributing significantly to health care costs related to long term implications particularly if rehabilitation is sub optimal Given the burden of stroke in Africa there is a need for a book that focuses on functioning African stroke survivors and the implications for rehabilitation within the African context In addition there is a need to progress with contextualised person centred evidence based guidance for the rehabilitation of people with stroke in Africa thereby enabling them to lead socially and economically meaningful lives The research incorporated in the book used a range of primary and secondary methodological approaches scoping reviews systematic reviews meta analyses descriptive studies surveys health economics and clinical practice guideline methodology to shed new insights into African centred issues and strategies to optimise function post stroke **Advanced Practice Nursing** Kathryn A. Blair,Michaelene P. Jansen,2015-04-10

The fifth edition of this topflight text on nurse practitioner role development is completely updated and expanded to encompass the full sphere of current practice roles These include interprofessional global health and leadership roles and such practice issues as credentialing prescriptive authority and liabilities The book encompasses the diverse expertise of contributors from a wide variety of practice settings and reflects the competencies identified by key stakeholder organizations such as the ANA NONPF NACNS AANA ACNM and AACN With a focus on everyday realities of APRN practice in a rapidly changing health care environment it delivers essential information on the multifaceted role of APRNs as they transition into practice and professional arenas The fifth edition reflects the expanding roles of the DNP and CNL and provides more detail on the transition of APRN master s and doctoral students particularly NPs CNSs CNMs and CRNAs into practice It discusses the impact of the Patient Protection and Affordable Care Act on health care delivery and emphasizes the APRN role in

Globally Responsible Leadership Joanne T. Lawrence, Paul W. Beamish, 2013 What does a truly global manager today need to know to lead responsibly How does he or she develop the core

management competencies needed Globally Responsible Leadership Managing According to the UN Global Compact uses the UN Global Compact and its Ten Principles as an overarching framework for understanding the issues facing business managers today Drawing on the knowledge of contributors from different parts of the world the book shows readers the intersection between business and the major global issues of our time human rights labor the environment anti corruption and bribery and most critically how to address these issues in the day to day running of their operations **Policy & Politics in Nursing and Health Care - E-Book** Diana J. Mason, Deborah B Gardner, Freida Hopkins Outlaw, Eileen T. O'Grady, 2015-04-24 Featuring analysis of cutting edge healthcare issues and first person stories Policy Politics in Nursing and Health Care 7th Edition is the leader in helping students develop skills in influencing policy in today's changing health care environment Approximately 150 expert contributors present a wide range of topics in this classic text providing a more complete background than can be found in any other policy textbook on the market Discussions include the latest updates on conflict management health economics lobbying the use of media and working with communities for change With these insights and strategies you'll be prepared to play a leadership role in the four spheres in which nurses are politically active the workplace government professional organizations and the community Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism as well as complex business and financial issues Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished Expert authors make up a virtual Nursing Who's Who in healthcare policy sharing information and personal perspectives gained in the crafting of healthcare policy Winner of several American Journal of Nursing Book of the Year awards NEW Nine new chapters ensure you have the most up to date information on key topics such as ethical dimensions of policy and politics patient engagement public health women's reproductive health emergency preparedness new health insurance exchanges and much more NEW The latest information and perspectives are provided by nursing leaders who influenced health care reform including the Affordable Care Act NEW Emphasis on evidence based policy throughout the text NEW A list of web links is included in most chapters for further study **Licensed larceny** Nicholas Hildyard, 2016-06-17 The growing wealth gap is best viewed as a proxy for how for how effectively elites have constructed institutions that extract value from the rest of society For inequality is not just a problem of poverty and the poor it is as much a problem of wealth and the rich The provision of public services is one area which is increasingly being reconfigured to extract wealth upward to the one per cent notably through so called Public Private Partnerships PPPs The push for PPPs is not about building infrastructure for the benefit of society but about constructing new subsidies that benefit the already wealthy It is less about financing development than developing finance Understanding and exposing these processes is essential if inequality is to be challenged But equally important is the need for critical reflection on how the wealthy are getting away with it What does the wealth gap suggest about the need for new forms of organizing by those who would resist

elite power **Who Owns Whom in South Africa** ,2009 *Sustainable Public Procurement of Infrastructure and Human Rights* Olga Martin-Ortega,Laura Treviño-Lozano,2023-03-02 This innovative book addresses the links between sustainability and human rights in the context of infrastructure projects and uncovers the human rights gap in every stage of public procurement processes to deliver on infrastructure assets or services

Global Human Trafficking Molly Dragiewicz,2014-12-05 Human trafficking has moved from relative obscurity to a major area of research policy and teaching over the past ten years Research has sprung from criminology public policy women's and gender studies sociology anthropology and law but has

been somewhat hindered by the failure of scholars to engage beyond their own disciplines and favoured methodologies Recent research has begun to improve efforts to understand the causes of the problem the experiences of victims policy efforts and their consequences in specific cultural and historical contexts Global Human Trafficking Critical issues and contexts foregrounds recent empirical work on human trafficking from an interdisciplinary critical perspective The collection includes classroom friendly features such as introductory chapters that provide essential background for understanding the trafficking literature textboxes explaining key concepts discussion questions for each chapter and lists of additional resources including films websites and additional readings for each chapter The authors include both eminent and emerging scholars from around the world drawn from law anthropology criminology sociology cultural studies and political science and the book will be useful for undergraduate and graduate courses in these areas as well as for scholars interested in trafficking

HEALTHCARE MARKETING RELOADED IN GLOBAL CONTEXT: SERVED WITH SYNERGY OF TECHNOLOGICAL AND SOCIO-ECONOMIC DEVELOPMENTS Bikram Prasad, Dr. Indrajit Ghosal, Dr. Abhishek Tripathi, Dr. Sheetal Desai, **The JSE Handbook**, 1999 **Encyclopedia of Health Economics**, 2014-02-21 The Encyclopedia of Health Economics offers students researchers and policymakers objective and detailed empirical analysis and clear reviews of current theories and policies It helps practitioners such as health care managers and planners by providing accessible overviews into the broad field of health economics including the economics of designing health service finance and delivery and the economics of public and population health This encyclopedia provides an organized overview of this diverse field providing one trusted source for up to date research and analysis of this highly charged and fast moving subject area Features research driven articles that are objective better crafted and more detailed than is currently available in journals and handbooks Combines insights and scholarship across the breadth of health economics where theory and empirical work increasingly come from non economists Provides overviews of key policies theories and programs in easy to understand language **Health Service Marketing Management in Africa** Robert Hinson, Kofi Osei-Frimpong, Ogechi Adeola, Lydia Aziato, 2019-12-06 Health Service Marketing Management in Africa 978 0 429 40085 8 K402492 Shelving Guide Business marketing imperatives in healthcare management product and pricing management in healthcare distribution and marketing communications in healthcare managing people in healthcare physical evidence and service quality management in healthcare and process management in healthcare **BRICS** Patrick Bond, Ana Garcia, 2015-08-20 The rise of the BRICS a bloc of emerging economies comprised of Brazil Russia India China and South Africa is one of the defining features of the modern global economy This book explores these nations which seem to be growing at a much faster rate than the developed nations of the Eurozone and North America Will they drag the developed world out of the economic mire Will they force social change and innovation into the tired old world order And politically do they herald a new dawn for democracy or do they represent a continued political repression This edited collection answers these questions by offering critical analysis of

the rise of the BRICS economies within the framework of a predatory exclusionary and unequal global capitalism From Chinese oil geopolitics to the ruinous mega events in Brazil the authors provide a new radical way of understanding these controversial developments
