Billboard ,2010-04-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Recarving Rushmore** Ivan Eland,2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in Recarving Rushmore Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan wasn t all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents

Congressional Record United States. Congress,2001 **Flying Off Course** Rigas Doganis,2009-12-18 The airline industry presents an enigma High growth rates in recent decades have produced only marginal profitability This book sets out to explain in clear and simple terms why this should be so It provides a unique insight into the economics and marketing of international airlines Flying Off Course has established itself over the years as the indispensable guide to the inner workings of this exciting industry This enlarged fourth edition largely re written and completely updated takes into account the sweeping changes which have affected airlines in recent years It includes much new material on many key topics such as airline costs open skies air cargo economics charters and new trends in airline pricing It also contains two exciting new chapters on the economics of the low cost no frills carriers and on the future prospects of the industry The book provides a practical insight into key aspects of airline operations planning and marketing within the conceptual framework of economics

It is given added force by the author's hands on former experiences as a Chairman and CEO of Olympic Airways and as a non executive Director of South African Airways while he is currently a non executive Director of easyJet *Bible Society record*
