Articulate Classroom Prue Goodwin,2013-12-19 This book is an edited collection of articles by leading educationalists and teacher educators on the place of talk in the primary curriculum Each chapter reflects on theoretical aspects of oracy translated into manageable practice [A Social History of Nineteenth-Century France](#) Roger Price,2021-12-24 First

published in 1987 A Social History of Nineteenth Century France argues that the social impact of the French Revolution has been greatly exaggerated and that in 1815 France was still predominantly a rural and pre industrial society The revolution introduced only very limited changes in social structures and relationships the daily lives of ordinary people remained virtually unchanged A much more decisive turning point in French history the author suggests was the period of structural change in economy and society which began in the mid nineteenth century The first part of the book looks at many changes in the economy and their effect on living standards and social environment The second part identifies the social groups which make up French society and provides detailed analyses of their lifestyles and social relationships Part Three considers the influence of such key institutions as churches schools and the state Drawing on an exceptionally wide range of primary sources this is likely to be the definitive overview of French society for many years to come and will be of interest to researchers of French history and European history **Linguistic Diversity and Discrimination** Sender Dovchin,Qian

Gong,Toni Dobinson,Maggie McAlinden,2023-12-11 This collection explores the ways in which women in academia from culturally and linguistically diverse backgrounds mediate the negotiation of linguistic discrimination and linguistic diversity in higher education using autoethnography to make visible their lived experiences The volume shows how women in academia from CaLD backgrounds particularly those living or working in the Global South draw on their multivalent complex linguistic backgrounds and cultural repertoires to cope with and manage linguistic and systemic gender discrimination In adopting authoethnography as its key methodology the book encourages these academics to write themselves beyond the conventions from which women in academia have traditionally been forced to speak and write The collection features

perspectives from women across geographic contexts sub fields and levels of experience whose stories are not often told putting at the fore their narratives lived experiences and career trajectories in mediating issues around power ideology language policy social justice teaching and learning and identity construction In so doing the book challenges the wider field to expand the borders of discussions on linguistic discrimination and higher education institutions to critically engage with these issues This book will be of interest to scholars in applied linguistics sociolinguistics and cultural studies **Real Life**

David Oakeshott,2024-11-27 Bringing concepts from critical transitional justice and peacebuilding into dialogue with education this book examines the challenges youth and their teachers face in the post conflict settings of Bougainville and Solomon Islands Youth in these places must reconcile with the violent past of their parents generation while also learning how to live with people once on opposing sides This book traces how students and their teachers form connections to the past and each other that cut through the forces that might divide them The findings illustrate novel ways to think about the potential for education to assist post conflict recovery *Social Justice and Culturally-Affirming Education in K-12 Settings* Chitiyo, Jonathan,Pietrantoni, Zachary,2023-01-27 Social justice is a philosophy that has gathered momentum over the past

few years to bring to light the inequities that exist within our society In the field of education social justice illuminates the challenges that marginalized students and minority students face compared to other students Social Justice and Culturally Affirming Education in K 12 Settings seeks to bring together social scientists researchers and other practitioners to delve into social justice issues in K 12 settings and considers the various challenges and future directions that are associated with this field Covering key topics such as inclusive education educational reform and school policies this reference work is ideal for administrators policymakers researchers academicians practitioners scholars instructors and students **Indianapolis Monthly** ,2008-04 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape **Ukrainian penitentiary legislation in the light of the standards of the UN and Council of Europe anti-torture committees** Olena Ashchenko ,Олена Ащенко ,Vadym Chovgan ,Вадим Човган ,2014-10-30 The analysis of compliance of Ukrainian legislation governing the order of detention in custody serving of punishments connected with deprivation of liberty with the international standards enshrined in the UN Convention against Torture and expressed in the conclusions and recommendations of the UN Committee against Torture as well as numerous reports of the European Committee for the Prevention of Torture the CPT after the visits to Ukraine Translations of conclusions and recommendations of the UN Committee for the consideration of 3rd 4th and 5th periodic reports of Ukraine and the last report of the CPT s visit of 2013 are printed in Ukrainian version of this book **Promoting Executive Function in the Classroom** Lynn Meltzer,2010-03-23 Accessible and practical this book helps teachers incorporate executive function processes such as planning organizing prioritizing and self checking into the classroom curriculum Chapters provide effective strategies for optimizing what Ka 12 students learn by improving how they learn Noted authority Lynn Meltzer and her research associates present a wealth of easy to implement assessment tools teaching techniques and activities and planning aids Featuring numerous whole class ideas and suggestions the book also covers the nuts and bolts of differentiating instruction for students with learning or attention difficulties Case examples illustrate individualized teaching strategies and classroom accommodations Fifteen reproducibles are included the large size format facilitates photocopying and day to day reference This book will be invaluable to classroom teachers and special educators in grades K 12 teacher educators school psychologists and neuropsychologists **Winnicott and 'Good Enough' Couple Therapy** Claire Rabin,2014-04-03 Claire Rabin innovatively applies the Winnicottian theory of the good enough mother to couple therapy redirecting attention to the therapeutic relationship and the therapist s self awareness regardless of the methods used Using this lens even the therapist s mistakes become an opportunity for repairing both the therapeutic relationship and the partners own personal maturity The intensity and pressure of couple therapy can make each case a test of the therapist s competence The need for neutrality constitutes on going pressure on the therapist and the proliferation of

therapeutic methods can cause confusion about which might be most useful in each situation Applying theory effectively is easier said than done within the context of the powerful emotions unleashed in sessions which can result in a catastrophic atmosphere These factors can make it hard for therapists to utilise their own skills and knowledge within sessions of couple therapy The book explores how therapists and couples can unintentionally further false selves without realising how the very tools of change may counter authenticity Featuring interviews with an international range of couple therapists and case studies from the author's own experiences the key aspects of the good enough concept are elaborated Rabin shows how these ideas can strengthen therapists sense of security and safety in using their lived experience and intuition Winnicott and Good Enough Couple Therapy is the ideal book for clinicians seeking an overarching framework for working with couples or families as well as those concerned with the importance of the client helper relationship
