When the NHL Invaded Japan Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

The Next One Ken Reid, 2025-10-21 Behind the scenes to hockey s hidden superstars the scouts who chase teenage prodigies and might never bes across North America and around the world If you attend any junior minor or professional hockey game and you ll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don t just bird dog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey s favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn t start playing the game until he was eleven years old One scout worked at a maximum security prison only to find himself as a pro scout Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm And Reid takes us behind the scenes at the nascent PWHL where teams furiously scouted their starting lineups with only a few weeks before the season began Always entertaining often illuminating and sometimes hilarious The Next One is the ideal book for anyone who wants to understand hockey beyond the ice

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus

Blue Jackets in 2000 the city's own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial. The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU. There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill. Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice. This thrilling account will appeal to those who remember the Chill's reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy. Hit Elise Faber, 2022-05-18 Cycled No matter how hard Scarlett tried to be good. She always ended up being bad. But everything was different now. She was working as a publicist for the San Francisco Gold. Her life was back on track. Then she met Kaydon. She worked for his team and she couldn't risk her job by jumping into a relationship that could easily get her fired. Even if it was with a man like Kaydon. Unfortunately and despite her best intentions at keeping her distance he was good very good at convincing her to be bad. A Gold Christmas Christmas time with the Gold is usually full of cheer. But this year is leaving Brit feeling unsettled. Her best friend and love of her life is acting more Grinch than Kringle and she's worried she might be causing the drift. But Brit knows that this is her life and her man and she's ready to fight for their future. With extra lights cheery wrapping paper homemade cookies and sparkling ornaments she is determined to make this their best Christmas ever. Will the extra holiday spirit help them fall for each other all over again for the new year? Caught It had been love at first sight. Or at least love at first sight of a toppling glittering unfortunately shaped mascot. Charlie had

spent months trying to pretend that his heart wasn't broken but it was really hard to pretend he was fine when he was surrounded by love struck couples He didn't know what the hell was in the water but the freaking Gold seemed to breed happy endings Like a fungus Whatever He was done with love Until that giant glittering mascot had toppled over its head falling off to reveal the woman within And he fell right then and there New York Magazine ,1991-01-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Roy H.
