Apple Watch Discount Sign In:

Take Control of Your Apple Account, 2nd Edition Glenn Fleishman, 2025-09-10 Prevent or solve problems with your Apple Account Version 2.0 updated September 10, 2025 The center of the Apple world is your Apple Account. This identifier ties up your access to iCloud, to purchased and streaming music, TV and movies, and to all your devices. While an Apple Account is essential, Apple has made it difficult to navigate the many features associated with it, and particularly to troubleshoot and resolve problems that crop up. This book answers dozens of questions and guides you through solutions. It also explains how to use security recovery and other features tied to your Apple Account. Everything Apple relies on your Apple Account. It's a key that unlocks a long list of Apple products and services on any of numerous devices. iCloud uses an Apple Account, as does Apple Music, the App Store, the Music, TV, and Books apps, and more. An Apple Account protects your personal information, including email, and iPhone, iPad, Mac, or Apple Watch backups, helps you find a lost iPhone, iPad, Mac, or Apple Watch, and can even unlock your Mac. So it goes without saying that if something goes wrong with your Apple Account, you could be in for a world of hurt. Unfortunately, things go wrong with Apple Accounts all the time. Fortunately, Glenn Fleishman, a veteran technology journalist and the author of Macworld's Mac 911 column, is ready to help with expert advice on how to manage your Apple Account, including how to prevent, solve, or work around most common problems. This book is fully up to date with iOS 16, iPadOS 16, macOS 12, Tahoe, watchOS 8, tvOS 16, and other Apple products and services. In this book, Glenn answers questions like: What all is my Apple Account used for? How does my iCloud account relate to my Apple Account? What's two-factor authentication, and how do I manage it and not get locked out of my account? Should I invest in hardware security keys to up the protection of my Apple Account? Are there other mechanisms I can use to ensure that I can recover an Apple Account in the event of a problem? Spoiler: yes! What should I do if I have two or more Apple Accounts or iCloud accounts? Will I lose access to all my Apple media purchases if I move to another country? Can I share an Apple Account with someone else? What does an Apple One subscription offer, and how does it interact with Family Sharing and iCloud storage tiers? Is there an explanation for how code-based and hardware-based second factors protect my account, and how they differ from passkeys? Yes! What exactly should I do if I think someone is hacking my Apple Account? How can I recover a forgotten Apple Account password? What happens if I'm assaulted or drugged, and someone gains access to my iPhone passcode and resets my Apple Account? Sadly, a too-real, if uncommon, problem. What steps should I take if Apple locks me out of my account? If I lose access to an email address associated with my Apple Account, what can I do? What Apple Account changes in recent versions of iOS, iPadOS, and macOS do I need to know about? How can I use Family Sharing to share data and purchases within my family? What types of subscriptions can I manage with my Apple Account, and how? Which payment methods can I associate with my Apple Account, and how do I manage them? And that's just the beginning. Glenn has packed a remarkable amount of concise problem-solving information into this comprehensive book. Read it before you encounter Apple Account problems to minimize your risk, and if

you've already encountered a problem read it to find the best path to a rapid solution **iPhone For Seniors For Dummies, 2026 Edition** Dwight Spivey, 2025-10-27 Stay connected with friends and family using your device Looking for a single comprehensive up to date guide to making the most out of your iPhone In the newly revised iPhone For Seniors For Dummies 2026 Edition tech educator and expert Dwight Spivey walks you through the essential parts of owning and using an iPhone Starting from the beginning Spivey explains how to choose the iPhone model that's right for you based on your needs how to set up your iCloud account and how to adjust accessibility features that make your phone easier to use Learn how to choose and access the apps that let you text call email and surf to your heart's content This book delivers step by step instructions to personalizing your phone and getting more utility out of it whether that means keeping tabs on your well being with the Health App customizing your notifications or staying organized with the Calendar Clock and Reminders apps iPhone For Seniors For Dummies 2026 Edition also offers Video and audio calling tutorials including instructions for using FaceTime to call family and friends Tips for making your phone more fun including how to find and download new games watch videos and browse the web Tutorials on how to use your phone to organize your life and make you more productive Featuring large print clear illustrations and a special focus on tips and content especially relevant to seniors this easy to read book gives new and experienced iPhone users an accurate resource that will help you get the most out of one of the most popular pieces of technology in the world Unwritten Danny Knobler, 2019-04-09 Don't bunt in a blowout Don't pimp your home runs Act like you've been here before In Unwritten Bat Flips the Fun Police and Baseball's New Future national baseball writer Danny Knobler dives deep beyond the brushbacks and brawls to examine shifting attitudes towards Major League Baseball's once sacred player codes What emerges in the process is a much larger story one of a more youthful more exuberant more diverse game in the midst of a fascinating culture clash Featuring countless interviews with some of baseball's biggest names including current and former major league players coaches scouts and journalists Unwritten is a revealing thoroughly of the moment portrait of a sport grappling with the loaded question of what it means to play the game the right way Fans will not want to miss these varied inside perspectives on America's pastime marching into the future *Tim Cook* Leander Kahney, 2019-04-16 In 2011 Tim Cook took on an impossible task following in the footsteps of one of history's greatest business visionaries Steve Jobs Facing worldwide scrutiny Cook who was often described as shy unassuming and unimaginative defied all expectations Under Cook's leadership Apple has soared its stock has nearly tripled to become the world's first trillion dollar company From the massive growth of the iPhone to new victories like the Apple Watch Cook is leading Apple to a new era of success But he's also spearheaded a cultural revolution within the company Since becoming CEO Cook has introduced a new style of management that emphasizes kindness collaboration and honesty and has quietly pushed Apple to support sexual and racial equal rights and invest heavily in renewable energy Drawing on authorized access with several Apple insiders Kahney the world's leading reporter on Apple tells the inspiring story of how one man attempted

to replace the irreplaceable and succeeded better than anyone thought possible Leander Kahney has covered Apple for more than a dozen years and has written four popular books about Apple and the culture of its followers including *Inside Steve's Brain* and *Jony Ive* The former news editor for *Wired.com* he is currently the editor and publisher of *CultofMac.com* He lives in San Francisco
