Media Literacy in Action Renee Hobbs, 2024-10-14 There's never been a more important time for students to develop media literacy competencies. When students ask critical questions about the media they consume, they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship. *Media Literacy in Action* addresses learners who are simultaneously active as both creators and consumers of media messages. At the same time, the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide. To thrive in a media-saturated society, people need to ask critical questions about what we watch, see, listen to, read, and use. This book gives students those tools. Key features of the second edition: Critical examination of AI technologies, algorithmic personalization, data privacy, and surveillance; and the increased global regulation of digital platforms. Attention to media literacy for empowerment and protection. Inquiry-oriented approach to learning that cultivates intellectual curiosity and creative expression. Full-color presentation with figures and photos to increase student engagement. Each chapter includes *Media Literacy Trailblazers*: Profiles of key thinkers and their theories connect students with the discipline of media literacy. *Media Literacy DIScourse* NEW: Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples. *Learning in Action* NEW: Summary and vocabulary sections combine with Analyze, Create, Reflect, and Act activities to empower students to apply ideas from each chapter. Supplemental Materials available at www.mlaction.com. Students can review key ideas, learn about more *Media Literacy Trailblazers*, and watch videos aligned with each chapter. Instructors can access a Teacher's Guide of best practices in class activities, homework, and projects. Also available are chapter summaries, lecture slides, YouTube playlists, and test materials. Protect Paisley Hope, 2025-12-01 A wildland firefighter reconnects in a second-chance romance with his late best friend's sister, the one that got away in the scorching hot second book in the BookTok viral Sky Ridge Hotshots series. Let me be your twin flame love. I walk into the local bar with my hotshot crew, dirty and exhausted, only to slam into my biggest regret: The twin sister of my lost best friend and the one who got away. Violette Taylor. I haven't seen her in years, but I haven't forgotten her either. I used to be Rowan to her. Now I'm just King, the guy who broke her heart, but not for the reasons she thinks. Violette, a nurse and single mom, is back in town for good and working hard to avoid anyone who reminds her of the past, especially a career hotshot like me. But when I fall into her care after an injury lands me in her burn unit, it feels like maybe it's fate. I know something she doesn't: Life rarely offers second chances. I need to protect those I love. So if this is my chance to make things right, I'm taking it. Tropes: Firefighter romance, Angst, Small-town romance, Forced proximity, Second-chance romance, Friend-to-Lovers, Hurt/Care, Workplace romance. *Fight* Sloane St. James, 2025-11-01 A wildland firefighter stumbles into a romance with a secretive EMT in the smoking-hot first book of the BookTok viral Sky Ridge Hotshots series. I want us to be more than fun. Prescott, I wanna make

you mine Fighting wildfires is the only thing I've ever wanted to do and I'm damn good at it Being the captain of an interagency hotshot crew of wildland firefighters is high risk high reward But the risk blindsided me five years ago when I lost one of my crew and it changed me forever Now I work harder smarter and the only rewards I allow myself to enjoy easy sexy nights with strangers Until I meet Prescott Timmons Her smart mouth and adventurous spirit have me forgetting all my rules until her past shows up and lies start to feel too familiar I swear to never spare her a second glance but when she finds herself in a life or death situation with mother nature my instincts kick in and I take action Stranded and sharing a bed again we're forced to face our truth Do we fight to keep the fire between us or let it burn out Tropes Firefighter romance Angst Small town romance Forced proximity Enemies to lovers There's only one bed Workplace romance Miscommunication Snowed in New girl in town
