With more links and resources, this book can easily become invaluable to the writer. Although it may be dense with information, the content is much more detailed. Reviewer: I liked the author's tips on how to build online relationships. As someone who avoids social media, it has been the bane of my author's existence. I really appreciated how the author breaks down how to work on social media. Short to the point, succinct. Finally, I get it! I am so excited to implement so many of these ideas. I was also thrilled to read the section on how to pitch to television and radio. Another superb writer's resource book from an excellent author. **Tips on How to Promote eBooks And Market Effectively** John Davidson, 2015-01-08. Reading is considered to be an important part of many people's lives. But with the advent of the internet and information technology, the concept of books has evolved and transformed into a new product called the e-book. Available online or in virtual soft copies, the access of such books is much easier and convenient for people of the smart era. Many mediums and websites are available for sharing of reading material over the internet. Kindle is one of the most popular e-book series in the world these days. Amazon.com was the creator and marketer of this famous online wonder. Kindle is a special smart device that allows its users to buy, download, browse through, and simply read different e-books. In addition,
