individual taxpayers **Cross-Border Investment Withholding Tax** Ross K. McGill, 2023-06-12 This book provides a clear and concise explanation of withholding tax and how to leverage best practice to generate improved investment performance. It gives practical guidance to financial service firms and investors to help them understand the issues involved, trends and practicalities of maximizing returns on investment. Most of the 200 billion of withholding tax lost by investors annually is due to lack of awareness and not asking the right questions of their brokers and custodian banks. Financial institutions are also increasingly being held to a higher standard by investors for provision of withholding tax services because of the impact it can have on portfolio performance. This book seeks to raise awareness of the issues and provide more detail about how the system works and what challenges and changes readers should expect in the future *Military Law Review*, 1992

Fraud Examination Casebook with Documents William H. Beecken, Clark A. Beecken, 2017-03-31 A practical advantage for entry level fraud examiners with start to finish casework. *Fraud Examination Casebook with Documents* provides critical practice for students and new CPAs, criminal and insurance investigators and attorneys seeking additional guidance on real world fraud investigation. With five cases that include over 100 pages of documentation, this guide helps you put your conceptual knowledge to work as you conduct full length Fraud Examinations from predication through report. Short instructional narratives guide you through tools like horizontal and vertical analysis, report writing and other important tasks while Excel templates streamline the process and kick start your investigation. Multiple choice questions help you gauge your understanding and practical mastery while expert guidance throughout prompts you to draw on your existing knowledge and apply it to casework. With a focus on asset misappropriation and financial statement fraud, these cases provide highly relevant experience for real world practice. Learning concept isn't always enough to do the job effectively; knowing is different from applying. Yet few practical resources exist for new and aspiring fraud examiners until now. This book provides the much needed practice that helps examiners polish their skills with expert guidance every step of the way. Conduct actual Fraud Examinations. Perform horizontal and vertical analyses. Review checks and decode debit card transactions. Examine adjustments to electronic records. Perform simple forensic data analytics. Vouch to/from documentation. Write complete Fraud Examination reports. Prepare court ready schedules and audio visuals. As you work your way through the cases, you'll develop the skills and instinct experienced examiners rely upon every day. You'll hone your analytical edge and master the essentials of report writing, leaving you fully equipped to conduct a thorough investigation and deliver your findings clearly, comprehensively and authoritatively. *Fraud Examination Casebook with Documents* is a vital resource for students and new fraud examiners seeking a practical advantage in real world skills *Introduction to Artificial Intelligence and Machine Learning, with eBook Access Code* R.
