Jana DeLeon,2023-10-11 When Jill Morgan left Tempest Island after high school she didn t know what she wanted to do the rest of her life The only thing she d ever loved was writing fiction but that was a pursuit with no financial guarantees So she did the responsible thing and got her college degree then a job that provided a good living and she wrote in her free time She never expected to become a bestseller but her books written under a pseudonym brought her millions of happy readers And a stalker When her identity is compromised Jill decides to disappear until the cops can identify the man threatening her Her first thought is returning to Tempest Island one of the many places her father was stationed with the Navy and the only one that had ever felt like home Plus she had connections there who could help her remain off radar It was just a matter of time until the cops had her stalker in custody and Jill could get back to normal But being on Tempest Island again brings back old memories and creates some new ones forcing her to take a hard look at her carefully crafted life Can she build a new life for herself on Tempest Island Or will the stalker end that journey before it even gets started Five Roses Alice
