Thanks Once again [Make the Right Career Move](#) Rachelle J. Canter, 2006-10-27 Praise for Make The Right Career Move Make the Right Career Move is a wonderful guide for the new age professional. This book will help you execute one of the most important decisions in your life and includes practical tips that you will use for the rest of your career. Marshall Goldsmith, bestselling author of The Leader of the Future and What Got You Here Won't Get You There. This great new book will help thousands of businesspeople find not only a new job but a satisfying career. This book is filled with practical tools and exercises that will help the reader identify what they really want from their career, write a winning resume, and most important of all, position themselves for the job. Victoria Husted Medvec, Adeline Barry, Davee Professor of Management and Organizations, Kellogg School of Management, Northwestern University. Executive Director of the Center for Executive Women. This is the book that all busy executives need, an indispensable guide to finding your ideal job and getting it all in a short, action-oriented package. I highly recommend this book. Les Guliassi, Director, Governmental Relations, Pacific Gas Electric Company. I have been waiting for a comprehensive and relevant guide to careers that I can recommend to my clients, candidates, and colleagues. Make the Right Career Move provides an up-to-date approach to navigating careers in our ever-changing and challenging workplace. Eunice Azzani, Senior Client Partner, Korn Ferry International. In my many years working in the career field, here is the first book that guides attorneys and executives on making the right move to their next job, career, or board position. It's action-oriented, quick to read, and it's not bogged down with theory. It provides tested, practical tools to help readers get their dream job. Martha Fay Africa, Managing Director and cofounder, Major Lindsey Africa.

[Careers in Healthcare and Beyond](#) Evelyn Lee, 2021-07-28 According to the U.S. Bureau of Labor Statistics, some of the fastest projected job growth will occur in the healthcare, healthcare support, and personal care fields, which accounts for almost one-third of the total employment growth by 2020. Analysts suggest that the healthcare field is growing because of the long-term trends of an aging population and improved diagnosing and treatment options. Additionally, technology advances in telemedicine and telehealth are allowing elderly patients to remain in their homes as they age, even though their health needs are increasing. All these advances and changes to payment structures are fueling the employment growth opportunities in healthcare. This book is intended for someone curious to learn more about a career in healthcare but not certain if it is right for them or if the industry would be a good fit for them. For the person who is already interested in pursuing a career in healthcare, it provides added excitement to continue on this path. For the person who is less certain, it explores in a narrative format the unique opportunities that are available in healthcare and career options that are not obvious to the general public. It is designed to provide added insights and stories that will inspire one to learn more about the field of healthcare and the

many opportunities to consider It will encourage readers to explore ways to gain hands on experience to determine what is the best approach for them to take to start this journey This book is also intended for those who currently work in healthcare but may be considering a different job in the field
