Breaking Boundaries Gemma Blythe,2023-06-30 One of the best poly romances I ve ever read Goodreads review The beach isn t the only thing heating up on this couples vacation My life is pretty perfect a house three kids and an amazing husband Nothing could convince me to risk everything I ve built with Rafe Until we go on a couples vacation with our best friends and it turns out our beach bungalow has unexpectedly thin walls and Darcy and Alec are definitely taking this trip as an opportunity to ah reconnect The more I hear of Darcy in the room next door the more I find myself wanting to be there wanting to be the one that s giving her so much pleasure And when I confess my feelings to Rafe I m shocked to learn he s having the same thoughts about Alec There s just one problem we ve always been monogamous and so have they But what if I kissed Darcy just once What if Rafe kissed Alec It could simply lead to a vacation we ll never forget or it could change all of our lives forever Breaking Boundaries is a high heat bi romance that explores intimacy friendship and what happens when the two come together As it is the first in a four book series while this book ends with each married couple happily together please keep in mind there is no happily ever foursome yet Detailed content warnings are available on the author s website
