Economic Commission for Asia and the Far East,1969 **Locating the Field** Simon Coleman,Peter Collins,2020-09-09 Are reports of the death of conventional fieldwork in anthropology greatly exaggerated This book takes a critical look at the latest developments and key issues in fieldwork The nature of locality itself is problematic for both research subjects and fieldworkers on the grounds that it must now be

maintained and represented in relation to widening and fragmenting social frames and networks Such developments have raised questions concerning the nature of ethnographic presence and scales of comparison From the social space of a cybercafe to cities in India the UK and South Africa among others this book features a wide range of ethnographic studies that provide new ways of looking at the concepts of locality and site It shows that rather than taking key fieldwork processes such as globalization and mobility for granted anthropologists are well placed to examine and critique the totalizing assumptions behind these notions *The Workings of Human Rights, Law and Justice* Surya Subedi, QC,2022-04-21

Drawing on the personal experience of a leading international jurist this book provides insights into the workings of international law and human rights from a global perspective that transcends the traditional divide between the West and the East and the Global South and Global North The work follows the author s remarkable journey from a simple village in Nepal to becoming an international jurist acclaimed for his innovative academic and influential practical legal work and nomination for the Nobel Peace Prize It offers insights into the powers bearing on international policymaking the dynamics of human rights negotiations with governments and the effects of their outcomes on the lives of their citizens While much has been written on international human rights law this inspirational memoir casts a new light on the working of human rights law and justice through the eyes of a leading actor It provides a valuable contribution to the study of justice and human rights and the importance of individual action As such the book presents an accessible source for current debates around the development and effectiveness of international law and human rights and practices for decolonising these debates The book will provide inspiration and practical guidance for students academics international lawyers jurists and human rights advocates

Resistance and the State David Gellner,2007-04 There has been growing concern about failed states and since the massacre of the Royal family in Nepal in 2001 increasing media attention has focused on the decline of the state and the rise of the Maoist rebels This book explores the complex relationship between a modernizing developmentalist state and the people it professes to represent **Nepal** United States.
