Rotger,2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including

multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach

The Persephone Myth in Young Adult Fiction Cristina Salcedo

González,2024-12-12 Investigating the widespread but understudied presence of the Persephone myth within 21st century young adult literature Cristina Salcedo Gonz lez analyses six young adult novels which incorporate a reworking of this ancient Greek myth Through the identification of mythic themes mythemes and patterns within these novels Gonz lez shows that these works evoke the female life cycle and develop current perceptions of the female maturational experience As a result Salcedo Gonz lez makes an important contribution in establishing the cultural significance of young adult literature in the world of classical reception These novels all written by women also inflect or interpret the myth in ways influenced by their contemporary contexts specifically the impact of the novels target readership on the aspects of the myth that are either emphasised e g Persephone s descent into the underworld her existence there and her re ascent or de emphasised e g the mourning and wanderings of Demeter This book makes original methodological contributions through its innovative dual perspective of myth criticism and classical reception to our understanding of the academically neglected genre of young adult literature and the reception of the myth of Persephone As a result Salcedo Gonz lez significantly contributes to establishing the cultural significance of young adult literature within the realm of classical reception

The Digital Future of English Simone Murray, 2025-07-18 More than any other academic discipline literary studies is the creation of print culture How then can it thrive in the digital era Early 1990s predictions of the book's imminent demise presented a simplistic either/or choice between the legacy of moribund print and triumphalist digital technology Yet we have grown to experience the two media as complexly interdependent and even complementary Clearly digital does not kill print But literary studies in the digital era cannot simply resume business as usual It is urgently necessary to reconsider the discipline's founding assumptions in light of digital technology The digital era prompts a rethinking of literary studies object of study as well as its methods theories audiences and pedagogical practices What counts as literature necessarily shifts in an age of proliferating born digital texts and do it yourself DIY online publication Where should literary studies sit

institutionally and how might it graft contextually oriented social sciences methods onto its traditionally humanistic mode of textual analysis Why should literary study continue to marginalize emotional responses to texts when online communities bond via readerly affect Who is the audience for literary criticism in an age where expertise is routinely challenged yet communication with global book loving publics has never been technologically easier Finally how can we utilize digital tools to rejuvenate literary studies pedagogy and help English staff better connect with millennial age students Literary studies has been convulsed for decades by debates over electronic literature and more recently digitally aided distant reading But these discussions still mostly confine themselves to demarcating our proper object of study We need to think more expansively about digital technology's impact on the underpinning tenets of the discipline Literary Media Studies is pitched at fellow literary scholars book historians media theorists cultural sociologists digital humanists and those working at the interface of these converging disciplines It models constructive engagement with contemporary digital culture Most importantly it brings a burst of sorely needed optimism to the question of literary studies digital future *The Routledge Companion to Media Audiences* Annette Hill, Peter Lunt, 2024-09-27 The Routledge Companion to Media Audiences captures the ways in which audiences and audience researchers are adapting to emerging social cultural market technical and environmental conditions Bringing together 40 original essays this anthology explores how our constantly changing encounters with media are complex contradictory and increasingly commercialized in the modern world Each specially commissioned chapter by both early career and experienced international scholars surveys new conceptualizations and constitutions of audiences and assesses key issues themes and developments within the field As such this companion cements itself as an indispensable guide for students and researchers who seek a comprehensive overview and source of inspiration for a diverse range of topics in media audiences The Routledge Companion to Media Audiences is an accessible landmark tool which enhances our understanding of how media is utilized through advanced empirical research and methodological enquiry It is a must read for media studies communication studies cultural studies humanities and social science scholars and students *The Whole-School Community Read* Margaux DelGuidice-Calemmo, Jeannette Balantic, 2025-10-30 A comprehensive resource for librarians and teachers who want to implement a whole school community reading program in their schools Community reading programs can foster a love of reading increase student engagement build a community of readers and simultaneously improve literacy Yet it can be daunting to begin a new program at a busy school This guidebook provides a clear roadmap for librarians and teachers who wish to try a whole school community reading program with all ages of learners Beginning with a history of whole school reads authors DelGuidice Calemmo and Balantic describe how a community reading program can work for students at all levels and promote family connections through reading They offer advice on finding funding building successful collaborations within the school community and allowing students to have a voice in book selection Marketing makerspace and promotion ideas help encourage participation Learn how to use informal
