Das Interview gibt einen Einblick über den Online Wahlkampf der etablierten Parteien, die Piratenpartei, WikiLeaks, die digitale Kluft und die Risiken des Jugend- und Verbraucherschutzes.

Conference proceedings. ICT for language learning Pixel, 2014 Understanding Social Media Damian Ryan, 2015-04-03. Understanding Social Media is the essential guide to social media for students and professionals alike. Drawing on the experience, advice and tips from dozens of digital marketers and social media superstars, it is an extensive crowd-sourced guide to social media platforms. Illustrated throughout with case studies from both successful and failed campaigns, Understanding Social Media democratizes knowledge of social media and promotes best practice, answering questions such as: How do you create a compelling social media campaign? How do you build and engage with an audience? and Where is the line between online PR and social media? drawn. It is the most comprehensive and practical reference guide to social media available. **iPolitics** Richard L. Fox, Jennifer M. Ramos, 2012. Politicians rely on Twitter, Facebook and YouTube to exercise political power. Citizens around the world also use these tools to vent political frustrations, join political groups and organize revolutions. Political activists blog to promote candidates, solicit and coordinate financial contributions and provide opportunities for volunteers. iPolitics describes the ways in which new media innovations change how politicians and citizens engage the political arena. Among other things, contributors to this volume analyze whether the public's political knowledge has increased or decreased in the new media era, the role television still plays in the information universe, the effect bloggers have had on the debate and outcome of healthcare reform, and the manner in which political leaders should navigate the new media environment. While the majority of contributors examine new media and politics in the United States, the volume also provides a unique comparative perspective on this relationship using cases from abroad.
