Ritual Elements The Veiled Hunter and Strawberry Solstice

The Veiled Hunter J.R. Pearse Nelson,2024-09-22 Spooky season in Crescent Bay shouldn t be this sinister The town wide Halloween fundraiser was supposed to be all fun and frights A full weekend of haunted attractions creepy plays and enough spookiness to delight the town all to finance the upcoming remodel of the Crescent Bay Library My friend and employee Sheldon is more excited than most until the skeleton standing sentry at the museum entrance is stolen A couple harmless pranks to celebrate the season are one thing and we probably should have expected that when we went all in on Halloween But when Grady Cordell the caretaker of crumbling Branson House is found dead on the property the festivities take a dark turn With the century old house now at the center of a murder investigation the whispers of real ghosts and old grudges start swirling Something s off and once again I m pulled into the mystery Who or what killed Grady Apparently the universe thought I needed additional challenges because an unexpected visitor to the moon garden brings more bad news Darkness is creeping in from all sides The safety of my friends and the garden s fae portal rests

on my shoulders Crescent Bay's shadows hide more than ghosts and this time the danger feels all too real Halloween is supposed to be a scream but not like this Welcome to the Moon Garden Mysteries paranormal cozy mystery series a magical blend of paranormal women's fiction and cozy mystery for those who believe forty marks a new beginning cats can talk and you'd better listen and when you're guarding a fae portal chocolate is a girl's best friend *I Hear the Sunspot: Limit Volume 3* Yuki Fumino, 2021-04-13 Stuningly handsome Kohei Sugihara was outgoing and popular with the girls at school But when a sudden illness left him with partial hearing loss he grew quiet and reluctant to engage with others At college a chance encounter with an ever optimistic classmate named Taichi Sagawa helped Kohei open up once more And over time the two began to develop feelings for each other As the story continues the pair tries to balance their budding relationship alongside Taichi's inspiring new career and Kohei's continued studies But things don't always go as planned One day seemingly out of nowhere Kohei announces that maybe they should spend some time apart

Cole and Laila Are Just Friends Bethany Turner, 2024-06-04 Cole and Laila Are Just Friends is a glorious ode to 90s romcoms lifelong friendships and all the many twists of life that drop us right where we need to be Full of warmth and witticisms galore this will they or won't they love story will capture readers from the first page and spin them capably through the landmarks of New York alongside the most rootable duo I've ever encountered Nora Nguyen author of Adam Evie's Matchmaking Tour Cole and Laila have been inseparable since they could crawl And they've never thought about each other that way Except for when they have Rarely Once in a while sure But seriously hardly ever Cole Kimball and Laila Olivet have been best friends their entire lives Cole is the only person apart from blood relatives who's seen Laila in her oversized pink plastic Sophia Loren glasses Laila is always the first person to taste test any new dish Cole creates in his family's restaurant even though she has the refined palate of a kindergartener Most importantly Cole and Laila are always talking About everything When Cole discovers a betrayal from his recently deceased grandfather that shatters his world staying in Adelaide Springs Colorado is suddenly unfathomable But Laila loves her life in their small mountain town and can't imagine ever living anywhere else She loves serving customers who tip her with a dozen fresh eggs She loves living within walking distance of all her favorite people And she's very much not okay with the idea of not being able to walk to her very favorite person Still when Cole toys with moving across the country to New York City she decides to support her best friend even as she secretly hopes she can convince him to stay home And not just for his killer chocolate chip pancakes Because she loves him As a friend Just as a friend Right They make a deal Laila won't beg him to stay and Cole won't try to convince her to come with him They have one week in New York before their lives change forever and all they have to do is enjoy their time together and pretend none of this is happening But it's tough to ignore the very inconvenient feelings blooming out of nowhere In both of them And these potentially friendship destroying feelings once out in the open have absolutely no take backs If When Harry Met Sally had a quippy literary love child with Gilmore Girls Luke and Lorelai you'd get Cole and Laila Just don't tell them that Author's Note
