The Revival of Right Wing Extremism in the Nineties Peter H. Merkl, Leonard Weinberg, 2014-01-14 Most studies of the radical right concentrate on

movements in a single country neglecting to some extent the international dimensions of right wing extremism Here Merkl and Weinberg adopt a comparative perspective concentrating on the revival of the right across a variety of countries

Revolution, Counterrevolution and Assassination Through World War II Robert C. Cottrell, 2024-12-13 Since the French Revolution the quest for revolutionary transformation and the fear of such change became deeply ingrained in the global landscape through World War II Modern revolutions inspired counterrevolutions that strove to turn back time to an allegedly purer finer more moral period than the upheaval and anarchy linked to a revolutionary epoch Revolutions often occurred through violence and entailed a disruption of existing social economic and political orders Counterrevolutions were equally guilty and frequently more so of horrific bloodletting in the name of restoring law and order often by shredding legal and ethical norms Drawing from a vast array of sources both primary and secondary this first of a two volume set presents a highly detailed narrative of an unholy trinity revolution counterrevolution and assassination Combining intellectual political social and cultural history this book highlights international protagonists movements and ideas supporting the radical or reactionary upheaval of society and the means that have been used to do so

Italian Jewish Musicians and Composers under Fascism Alessandro Carrieri, Annalisa Capristo, 2021-05-13 This book is the first collection of multi disciplinary research on the experience of Italian Jewish musicians and composers in Fascist Italy Drawing together seven diverse essays from both established and emerging scholars across a range of fields this book examines multiple aspects of this neglected period of music history including the marginalization and expulsion of Jewish musicians and composers from Italian theatres and conservatories after the 1938 39 Race Laws and their subsequent exile and persecution Using a variety of critical perspectives and innovative methodological

approaches these essays reconstruct and analyze the impact that the Italian Race Laws and Fascist Italy's musical relations with Nazi Germany had on the lives and works of Italian Jewish composers from 1933 to 1945. These original contributions on relatively unresearched aspects of historical musicology offer new insight into the relationship between the Fascist regime and music.
