Robert Turnbull

Novum Testamentum Graece Na28 Nestle Aland 28th Edition Ancient Greek Edition:

Novum Testamentum Graece ,2001 Biblical and Ancient Greek Linguistics, Volume 11 Stanley E. Porter,Matthew Brook O'Donnell,2024-06-06 Biblical and Ancient Greek Linguistics BAGL is an international journal that exists to further the application of modern linguistics to the study of Ancient and Biblical Greek with a particular focus on the analysis of texts including but not restricted to the Greek New Testament The journal is hosted by McMaster Divinity College and works in conjunction with its Centre for Biblical Linguistics Translation and Exegesis and the OpenText org organization www opentext org in the sponsoring of conferences and symposia open to scholars and students working in Greek linguistics who are interested in contributing to advancing the discussion and methods of the field of research BAGL is a refereed on line and print journal dedicated to distributing the results of significant research in the area of linguistic theory and application to biblical and ancient Greek and is open to all scholars not just those connected to the Centre and the OpenText org project

Schöpfung im Johannesevangelium Zacharias Shoukry,2024-07-01 Johannes wird oft als ein geistliches Evangelium wahrgenommen in dem es vor allem um das Heil der Gl ubigen gehe Sch pfung sei ein Randthema Die vorliegende Studie durchbricht solche anthropozentrischen Denkmuster indem sie die Sch pfung als Ganzes einschlie lich der nicht menschlichen Sch pfung untersucht Durch die Anwendung eines umfassenden Verst ndnisses kommt nicht nur die Sch pfung am Anfang der Welt in den Blick sondern auch das kontinuierliche Sch pferwirken sowie die Neusch pfung Zacharias Shoukry bringt die Sch pfungsurheberschaft Jesu sowie die Frage nach seiner relativen Pr existenz in den Diskurs ein Jesus der von oben kommt steht im Kontrast zu den Menschen aus der Erde die alle von Gott als dem einen Vater abstammen Zum erhaltenden Wirken z hlen allen voran die Heilungen als Werke am Sabbat Au erdem werden Naturwunder wie der Seewandel als Demonstrationen der Sch pfermacht und der K nigstitel als Hinweis auf die F higkeiten zur Lenkung der Sch pfung gelesen Maria Magdalenes vermeintliches Missverst ndnis von Jesus als G rtner und die Rede vom achten Tag werden sch pfungstheologisch ausgewertet Das Anhauchen der J nger innen mit dem Geist bildet den H hepunkt der Neusch pfung Die Studie arbeitet mit einem umfassenden Sch pfungsbegriff und beleuchtet so die unterschiedlichen Facetten johanneischer Sch pfungstheologie **A User's Guide to the Nestle-Aland 28 Greek New Testament** David

Trobisch,2013-10-31 This guide introduces the complex new edition of the Nestle Aland Novum Testamentum Graece 28 Edition explaining its structure the text critical apparatus and appendices and the innovations of the new edition **Codex Sinaiticus Arabicus and Its Family** Robert Turnbull,2024-10-21 Arabic versions of the New Testament have been overlooked for too long The Sinai New Finds of 1975 unearthed Codex Sinaiticus Arabicus which preserves an Arabic translation of the Gospels differing markedly from the Majority Text Here Robert Turnbull undertakes a wide ranging study of this version discovering many lectionary manuscripts with the same text Several open access datasets are made available Bayesian phylogenetics and other computational techniques are used to draw insights into the transmission history of this

version and its place in the wider New Testament textual tradition This Arabic version will be indispensable in future textual scholarship on the Gospels

God's Saved Israel Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel In this study the way in which Paul uses the terms Israel Israelite and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul the approach in this book is the other way around These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand

Interpreting Israel's Scriptures Matthieu Richelle, 2022-01-01 Many readers find exegesis a passage from the Old Testament to be a mysterious process How should one begin What methods should one use Written in a pragmatic style Interpreting Israel's Scriptures guides the reader by offering concrete methods for exegesis that are illustrated by numerous examples and accompanied by well chosen references to secondary sources This English translation of the 2012 original French version of Richelle's book has been expanded and revised and has been reorganized to have a tripartite structure the making of the text the various facets of the text and the reader in front of the text The book is designed for use in exegesis courses or for personal study and it is designed to be used both by students who know Hebrew and by those who do not The book explores a variety of themes relevant for exegesis including poetry literary genre literary context geographical context historical context structure narrative analysis intertextuality and reception history For those who know Hebrew the book also includes chapters on translation textual criticism and compositional criticism Finally this English edition has two new chapters one on feminist and gender studies and one on postcolonial criticism

Going Deeper with New Testament Greek, Revised Edition Andreas J. Köstenberger, Benjamin L. Merkle, Robert L. Plummer, 2020-07-15 Designed for those with a basic

knowledge of Greek Going Deeper with New Testament Greek is a user friendly textbook for intermediate Greek courses at the college or seminary level

Why are There Differences in the Gospels? Mike Licona, 2017 Why are there differences in the stories of the Gospels Licona turns to Greek classicist Plutarch for an answer assessing differences that appeared when Plutarch told the same story more than once in his Lives He suggests the differences in the Gospels often resulted from their authors employing the same compositional devices used by Plutarch

Why Are There Differences in the Gospels? Michael R. Licona, 2016-11-17 Anyone who reads the Gospels carefully will notice that there are differences in the manner in which they report the same events These differences have led many conservative Christians to resort to harmonization efforts

that are often quite strained sometimes to the point of absurdity Many people have concluded the Gospels are hopelessly contradictory and therefore historically unreliable as accounts of Jesus The majority of New Testament scholars now hold that most if not all of the Gospels belong to the genre of Greco Roman biography and that this genre permitted some flexibility in the way in which historical events were narrated However few scholars have undertaken a robust discussion of how this plays out in Gospel pericopes self contained passages Why Are There Differences in the Gospels provides a fresh approach to the question by examining the works of Plutarch a Greek essayist who lived in the first and second centuries CE Michael R Licona discovers three dozen pericopes narrated two or more times in Plutarch s *Lives* identifies differences between the accounts and analyzes these differences in light of compositional devices identified by classical scholars as commonly employed by ancient authors The book then applies the same approach to nineteen pericopes that are narrated in two or more Gospels demonstrating that the major differences found there likely result from the same compositional devices employed by Plutarch Showing both the strained harmonizations and the hasty dismissals of the Gospels as reliable accounts to be misguided Licona invites readers to approach them in light of their biographical genre and in that way to gain a clearer understanding of why they differ

To Cast the First Stone Jennifer Knust, Tommy Wasserman, 2020-01-14 The story of the woman taken in adultery features a dramatic confrontation between Jesus and the Pharisees over whether the adulteress should be stoned as the law commands In response Jesus famously states Let him who is without sin be the first to throw a stone at her *To Cast the First Stone* traces the history of this provocative story from its first appearance to its enduring presence today Likely added to the Gospel of John in the third century the passage is often held up by modern critics as an example of textual corruption by early Christian scribes and editors yet a judgment of corruption obscures the warm embrace the story actually received Jennifer Knust and Tommy Wasserman trace the story s incorporation into Gospel books liturgical practices storytelling and art overturning the mistaken perception that it was either peripheral or suppressed even in the Greek East The authors also explore the story s many different meanings Taken as an illustration of the expansiveness of Christ s mercy the purported superiority of Christians over Jews the necessity of penance and more this vivid episode has invited any number of creative receptions This history reveals as much about the changing priorities of audiences scribes editors and scholars as it does about an original text of John *To Cast the First Stone* calls attention to significant shifts in Christian book cultures and the enduring impact of oral tradition on the preservation and destabilization of scripture

Atonement and the Logic of Resurrection in Hebrews 9:27-28 William W. Henry, 2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the

surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment

Nestle-Aland Barbara Aland,Munster Institute of New Testament Textual Research,Kurt Aland,2013-02 Identical to the NA28th of the Greek New Testament standard edition but in Large Print NA 28 revisions include 1 The structure of the critical apparatus has been consistently simplified 2 For the first time the readings of Papyri 117 127 are included 3 A thorough revision of the Catholic Epistles with more than 30 modifications in the main text and 4 The cross references have been systematically revised and supplemented *Preaching in the New Testament* Jonathan Griffiths,2017-01-19 Part 1 addresses three foundational matters a theology of the word of God an overview of NT Greek terms related to preaching the scope and character of NT word ministries Part 2 concentrates on exegetical studies of sections of NT teaching that relate especially to the post apostolic context Part 3 summarizes the exegetical findings sets them within the context of biblical theology and addresses some broader theological implications The Apocrypha through History Edmon L. Gallagher,2025-03-19 The deuterocanonical books otherwise called the Apocrypha have been a part of Christian Bibles for as long as there has been a Christian Bible For just as long there have been disputes about their authority Are they canonical Scripture or merely edifying literature These opposing positions can be found in the Church Fathers of the fourth and fifth centuries who in turn influenced the entire subsequent discussion The deuterocanonical books were almost always considered beneficial often canonical though there emerged with the Reformation in the sixteenth century Christian writers who disputed even the value of these books suggesting that they might pose dangers to the faithful The Apocrypha through History surveys the entire history of this issue with a concentration on materials in Hebrew Greek and Latin for the earlier period or English and German for the later period Edmon L Gallagher explores the origins of the deuterocanonical books and their reception in Judaism and Christianity with separate chapters on the New Testament the patristic period the Latin West the Greek East the Reformation and the English Bible At each stage the book investigates who considered the deuterocanonical books to be fully canonical or not and why The Apocrypha through History provides a thorough yet accessible examination of one aspect of the history of the Bible concluding with a chapter reflecting on whether it makes a difference if one s bible includes the deuterocanonical books **2 Peter and Jude** Dieudonné Tamfu,2018-08-31 Shorter books in the Bible like 2 Peter and Jude are often overlooked by believers as they flick through pages of Scripture

Furthermore because these two books deal with the unpopular theme of God's judgement they end up being further neglected in the believer's life and understanding of Scripture Yet the evils these authors speak about are still very much present in the church in Africa and are no less deserving of judgment today But these books also bear glorious testimony to God's power to preserve his people and encourage us to stay steadfast and conform to the pattern of holiness in which we have been rooted The landmark Africa Bible Commentary compiled the scholarship of seventy African scholars in one volume Now the Africa Bible Commentary Series provides deeper insights into each biblical book explaining the meaning of Scripture in smaller separate volumes The series emphasizes the relevance of biblical concepts for the life of the local church and the case studies and African illustrations accomplish this in ways that mere explanations cannot In addition each commentary is divided into sermon units for easy use in developing a preaching series on the biblical books and includes discussion questions to assist further study

Lady Eclecte Lincoln H. Blumell, 2025-11-11 Second John occupies a rather peripheral place in the New Testament canon Consisting of a mere thirteen verses and often viewed as a kind of abstract of 1 John the letter has traditionally not garnered much individual attention While scholars have long noted that the opening address of the letter is ambiguous in some cases even problematic the received reading that is printed in all Greek editions of the New Testament for the last 150 years is and is typically translated as to an elect lady The nearly universal view in modern scholarship is to take elect lady as a metonym for a church that is metaphorically personified as a woman Drawing upon a wide range of evidence that includes Greek papyri New Testament manuscripts and a host of other sources this study shows that the received address printed in all editions of the Greek New Testament is not correct Rather the address should be rendered and translated to the lady Eclecte so that the principal recipient of the letter is a named woman This reading makes far more sense with the letter as a whole and makes it the only text in the entire New Testament canon addressed to a woman

FROM SPOKEN WORDS TO SACRED TEXTS Edward D. Andrews, 2020-02-21 FROM SPOKEN WORDS TO SACRED TEXTS is an introduction intermediate level coverage of the text of the New Testament Andrews begins by introducing the reader to New Testament textual studies by presenting all the essential foundational details necessary to understand New Testament textual criticism With Andrews clear and comprehensive approach to New Testament textual studies FROM SPOKEN WORDS TO SACRED TEXTS will remain popular for beginning and intermediate students for decades to come This source on how the New Testament came down to us will become the standard book for courses in biblical studies as well as the history of Christianity FROM SPOKEN WORDS TO SACRED TEXTS is assured of becoming a reliable clear cut resource for generations of Bible students to come The Greek New Testament was copied and recopied by hand for 1 500 years Regardless of those scribes who had worked very hard to be faithful in their copying errors crept into the text How can we be confident that what we have today is the Word of God FROM SPOKEN WORDS TO SACRED TEXTS introduces its readers to New Testament textual studies of the Greek New Testament Herein the reader will find plain

language as Edward D Andrews gives the reader an in depth view of the history of the New Testament We will discover how the New Testament books were transmitted The intentional and unintentional scribal errors that crept into the text for some 1 500 years of corruption by copyists followed by over 400 years of restoration work by textual scholars who gave their entire lives to give us today a restored New Testament text In this book the reader will gain an appreciation for the vast work that has been carried out in preserving the text of the New Testament and finding renewed confidence in its reliability Andrews work on FROM SPOKEN WORDS TO SACRED TEXTS was carried out with an apologetical mindset to assist Christians in their defense of God s Word

Gospels and Gospel Traditions in the Second Century Jens Schröter,Tobias Nicklas,Joseph Verheyden,2018-12-03 The second century CE has often been described as a kind of dark period with regard to our knowledge of how the earliest Christian writings the gospels and Paul s letters were transmitted and gradually came to be accepted as authoritative and then later on as canonical At the same time a number of other Christian texts of various genres saw the light Some of these seem to be familiar with the gospels or perhaps rather with gospel traditions identical or similar to those that found their way into the NT gospels The volume focuses on representative texts and authors of the time in order to see how they have struggled to find a way to work with the NT gospels and or the traditions behind these while at the same time giving a place also to other extra canonical traditions It studies in a comparative way the reception of identifiably canonical and of extra canonical traditions in the second century It aims at discovering patterns or strategies of reception within the at first sight often rather chaotic way some of these ancient authors have cited or used these traditions And it will look for explanations of why it took such a while before authors got used to cite gospel texts more or less accurately

A Word-Frequency Study of Matthew 19:9 in editions of the Greek New Testament: Majuscule Manuscripts, Minuscule Manuscripts, and Print Editions: 4th century to 2024. Robert Norvin Crawford,2024-09-16 A reference Book It lists every Greek word and variant in Matthew 19 9 in all available editions of the Greek New Testament Manuscripts plus all Unique Print Editions of the Greek New Testament from the 4th century to 2024 2nd ed 92 tables 22 graphs
