The Ethical Educator Sheldon H. Berman, David B. Rubin, Joyce A. Barnes, 2022-09-14 The Ethical Educator Pointers Pitfalls for School Administrators is an accessible nuts and bolts resource for education leaders at the school and district levels as they confront difficult ethical situations in their day to day work The book features 100 real life cases drawn from School Administrator magazine's Ethical Educator column over the past ten years The dilemmas encompass numerous aspects of administration from First Amendment and religious liberty issues to personnel and board relations Every case provides an opportunity for the reader to consider how they might handle a similar situation and to reflect on the perspectives of experienced administrators who explain how they would address the dilemma Each chapter begins with a down to earth introduction by a nationally recognized school district attorney who touches on relevant legal parameters and case law Making ethical decisions tests us as administrators for those decisions set precedents that shape how others perceive our ethical judgment and in turn the ethical identity of the school or district The Ethical Educator Pointers Pitfalls for School Administrators will help the reader become a more effective education administrator a more courageous leader of a school organization and simply a human being with a greater sense of ethical alignment and purpose

A Brief Introduction to A Philosophy of Music and Music Education as Social Praxis Thomas A. Regelski, 2015-12-07 Music and Music Education as Social Praxis is a brief introduction to a praxial theory of music education defined by author It is grounded in an interdisciplinary approach for undergraduate and graduate students in music education Drawing upon scholarship from a range of disciplines including philosophy and sociology the book emphasizes and highlights thinking of music as an active social practice and offers an alternative to existing approaches to music education This text advocates for an alternative approach to teaching music rooted in the social practice of music and will supplement Foundations or Methods courses in the Music Education curriculum
