Romantasy S Same Day Delivery Tutorial:

The Oxford Guide to the Romance Languages Adam Ledgeway, Martin Maiden, 2016 The Oxford Guide to the Romance Languages is the most exhaustive treatment of the Romance languages available today. Leading international scholars adopt a variety of theoretical frameworks and approaches to offer a detailed structural examination of all the individual Romance varieties and Romance speaking areas including standard non standard dialectal and regional varieties of the Old and New Worlds. The book also offers a comprehensive comparative account of major topics, issues and case studies across different areas of the grammar of the Romance languages. The volume is organized into 10 thematic parts. Parts 1 and 2 deal with the making of the Romance languages and their typology and classification respectively. Part 3 is devoted to individual structural overviews of Romance languages, dialects and linguistic areas while Part 4 provides comparative overviews of Romance phonology, morphology, syntax, semantics and pragmatics and sociolinguistics. Chapters in Parts 5-9 examine issues in Romance phonology, morphology, syntax, semantics and pragmatics and discourse respectively while the final part contains case studies of topics in the nominal group, verbal group and the clause. The book will be an essential resource for both Romance specialists and everyone with an interest in Indo-European and comparative linguistics.

The Tropoholic's Guide to Hook Romance Tropes Cindy Dees, 2024-10-13 NYT and USAT bestselling author and screenwriter Cindy Dees brings her formidable skills as a master storyteller and master writing teacher to this encyclopedic series analyzing the major tropes used in modern commercial fiction. In this volume, Cindy explores 32 iconic hook romance tropes, stories that explore ways your hero and heroine meet and come together as a couple and how that initial meeting establishes a set of problems that must be overcome before the hero and heroine can achieve their happily ever after. Written by a working writer for working writers, this is a comprehensive reference guide and brainstorming tool to help you quickly generate ideas, create characters and plot, revise and edit, brand and market your story. You'll write faster, cleaner and deliver your audience a story they'll recognize and love. If you're writing a novel, script, play, comic, graphic novel, video game script or any other story format, this book is for you. If you're writing a love story specifically or you're writing any genre of fiction in which you'd like to include a romantic relationship, this book is for you. Each trope entry includes a detailed definition and analysis, descriptions of all obligatory scenes necessary to structure this trope correctly, lists of additional key scenes important to this trope, an extensive list of questions to think about when writing this trope, an extensive list of traps to avoid when writing this trope, reasons why audiences love this trope, a list of similar tropes, a list of examples of each trope in action taken from television, film and novels. Writers in every genre of fiction are going to want these guides in their go-to reference books. A tour de force how-to on creating stories audiences adore, the books every writer has been waiting for, a comprehensive walk-through by an industry pro of everything to think about when building a story of pretty much any kind.
