Hsu, Robert Meadows, Simon J. Williams, 2023-06-25 This book draws on a variety of substantive examples from science technology medicine literature and popular culture to highlight how a new technoscientifically mediated and modified phase and form of technosleep is now in the making in the global north at least and to discuss the consequences for our relationships to sleep the values we accord sleep and the very nature and normativities of sleep itself The authors discuss how technosleep at its simplest denotes the coming together or entanglements of sleep and technology and sensitizes us to various shifts in sleep technology relations through culture time and place In doing so it pays close attention to the salience and significance of these trends and transformations to date in everyday night life their implications for sleep inequalities and the related issues of sleep and social justice they suggest *The Film Cheat* Murray Pomerance, 2020-10-15 Murray Pomerance venerated film scholar is the first to take on the cheat in film where cheating constitutes a collection of production performance and structuring maneuvers intended to foster the impression of a screen reality that does not exist as presented This usually calls for a suspension of disbelief in the viewer but that rests on the assumption that disbelief is problematic for viewership and that we must find some way to suspend or disconnect it in order to allow for the entertainment of the fiction in its own terms The Film Cheat explores forty five aspects of the cheat analyzing classic films such as *Singin in the Rain* and *Chinatown* to more contemporary films like *The Revenant* and *Baby Driver* with Pomerance engaging his encyclopedic knowledge of film history to point out numerous instances of suspensions of beliefs Whether or not Gene Kelly is actually dancin in the rain or if Elliott is really flying on his bicycle carrying E T these cheats are what make movie magic Elegantly weaving the narrative for one to dip into at random or to read from cover to cover Pomerance turns things upside down so that the

audience actually finds pleasure in the cheat itself pleasure in the disbelief To see the elegant fake the supremely accomplished simulacrum is a pleasure in its own right indeed one of the fundamental pleasures of cinema

Mark the Match Boy Horatio Alger, 2022-11-22 In Mark the Match Boy, Horatio Alger weaves a poignant tale emblematic of his hallmark themes: resilience, ambition, and the pursuit of the American Dream. Set against the harsh backdrop of urban poverty in 19th-century America, the narrative follows the young protagonist Mark as he navigates the struggles of life as a street vendor. Alger's straightforward yet impactful prose captures the innocence and determination of youth while emphasizing the moral virtues of hard work and integrity. This novella is not merely a work of fiction; it serves as a social commentary on the socioeconomic conditions of the time, epitomizing the literary style associated with the Rags to Riches genre so prevalent in Alger's oeuvre. Horatio Alger's own life experiences profoundly influenced his storytelling. Born into a prosperous family in Massachusetts, Alger became aware of the challenges faced by the less fortunate when he embarked on a teaching career in urban settings. His subsequent struggles with personal crises and the moral imperative to uplift the downtrodden infused his works with empathy and advocacy for social mobility, making him a pioneer in children's literature. For readers seeking inspiration and a glimpse into the spirit of perseverance amidst adversity, Mark the Match Boy is a compelling read that resonates with timeless truths. Alger's narrative encourages young readers to hold fast to their dreams, portraying the possibilities of transformation through resilience and virtuous living.
