Disparities Report. David Gomadza, 2021-04-08 The biggest Mystery But how come in the 21st century a government or authority or even institutions can be regarded as practising structural or institutional racism with all these rights groups and laws People are saying there is no racism while some are adamant that racism exists because the byproducts are exactly those that result from structural or institutional racist structures So is there something that exists that people can't pinpoint

but what is causing all this This is the billion dollar question What are we missing Is there something else that is going on that is creating the same effects that people especially young generations born here are complaining about OK first what is similar to racism or what can yield the same effects as racism *Case II October 2021 David Gomadza/Tomorrow's World Order vs NHS and its doctors* David Gomadza,2021-10-16 When the system is so crooked and injustice runs rampant When fierce nationalism obstructs the course of justice But its only a matter of time before logic sets in Fighting secret evil systems still rooted in slavery and oppression Part II But just the beginning of Tomorrow s World Order **Sleep-walking and Hypnotism** Daniel Hack Tuke,1884
