Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

YouTube Playbook Algorithm Jordan Connery, 2021-02-15 Will you like to make money from home Are you a housewife or a student that wants to make money without leaving your house or a source of income that fits your schedule Then you have got the right book YouTube and Google are the top two search engines in the whole world and technically YouTube is not even a Search engine YouTube has more than one billion viewership every month YouTube has become more popular over the years as it has reached audiences of all ages People go on YouTube to search for even the strangest thing which shows that YouTube is the go to place when people need to learn or

entertain themselves You can go on YouTube to spread political messages promote your business share your humour and make tutorials on anything you are good at be it cooking beauty make up photography and much more to make more money A lot of people are already making tons of money on YouTube and you can be one of them You are probably thinking right now can I make money on YouTube and the answer to that question is YES There are different ways to make money on YouTube and the truth is you won't start making money the first week and probably the first couple of months but with perseverance and determination you can make your first million from YouTube Throughout this book you will be introduced to and taught how you can get started on YouTube create your channel create great videos that will target the right audience and upload them on YouTube how to promote your videos to get more viewers and likes and ways you can make money on YouTube To be successful on YouTube you have to have an idea and stick with it long enough to make the idea profitable Consistency is vital when it comes to YouTube to be successful on YouTube you have to be consistent with content There are multiple ways to make money on YouTube you can monetize your content in different ways This book will introduce you to all these methods and the tricks and tips you will need to be successful on YouTube and make money You will identify ways in which you can leverage YouTube's network to accomplish revenue streams This book is divided into different sections each exploring the YouTube platform and how you can monetize YouTube After reading this book you will be armed with the proper tools and information to start using effective YouTube techniques This book will help you develop a successful strategy to build awareness for your brand increase your audience keep your audience engaged and most importantly make money on YouTube
