Antisemitism on Social Media Monika Hübscher, Sabine von Mering, 2022-03-22 Antisemitism on Social Media is a book for all who want to understand this phenomenon Researchers interested in the matter will find innovative methodologies CrowdTangle or Voyant Tools mixed with discourse analysis and new concepts tertiary antisemitism antisemitic escalation that should become standard in research on antisemitism on social media It is also an invitation to students and up and coming and established scholars to study this phenomenon further This interdisciplinary volume addresses how social media with its technology and business model has revolutionized the dissemination of antisemitism and how this impacts not only victims of antisemitic hate speech but also society at large The book gives insight into case studies on different platforms such as Twitter Facebook TikTok YouTube and Telegram It also demonstrates how social media is weaponized through the dissemination of antisemitic content by political actors from the right the left and the extreme fringe and critically assesses existing counter strategies People working for social media companies policy makers practitioners and journalists will benefit from the questions raised the findings and the recommendations Educators who teach courses on antisemitism hate speech extremism conspiracies and Holocaust denial but also those who teach future leaders in computer technology will find this volume an important resource

Trial by Media Lieve Gies, 2025-02-24 This edited collection brings together scholars from criminology law media and communication studies politics and linguistics to consider the different meanings and dimensions of trial by media

Trial by media remains an under researched and under conceptualised phenomenon This book sheds new light on the complex and evolving interfaces between courts media and justice It features original analysis of high profile cases of media trials including Nicola Bulley UK Lindy Chamberlain Australia Chris Dawson Australia Sanda Dia Belgium Dragan Vasiljkovi Australia and Roman Zadorov Israel Acknowledging the risks and benefits of heightened media scrutiny of the criminal justice system the book challenges the notion that trial by media is invariably incompatible with the requirements of natural justice It also foregrounds ways in which media trials routinely occur in the absence of a legal trial arguing that there is a need to broaden and rethink the concept of trial by media The book reflects on the enduring significance of legacy media for public perceptions of the law and the disruptive impact associated with digital media Furthermore the collection considers the implications of trial by media for the integrity of court proceedings and the protection of human rights It offers an assessment of the potential demise of court reporting and its traditional bridging function between courts and public opinion

New Developments in the Trilateral Relationship between the United States, Taiwan, and China Charles K.S. Wu, Yao-Yuan Yeh, 2025-03-15 Taiwan has become a new flashpoint in Sino U S relations in recent years The nation just concluded its presidential and legislative elections in January 2024 The incumbent Democratic Progressive Party DPP won a pyrrhic victory with DPP keeping the presidential seat but losing the majority in Taiwan s Legislative Yuan Congress The political status of Taiwan is one of the few if not the only issues that have won bipartisan support New Developments in the Trilateral Relationship between the United States Taiwan and China analyzes the three way relationship and raises numerous questions that are urgently awaiting answers The book advances our understanding of some of the pressing issues in this relationship These questions include but are not limited to how does the U S public view the trade war against China How do they perceive China in general What extent could the Indo Pacific Economic Framework for Prosperity IPEF support U S economic competition with China As for Taiwan to what scope do China s campaigns infiltrate and influence political attitudes Considering its geographic proximity to Taiwan how does the immigration from Hong Kong influence Taiwan

Battlefield Cyber William J Holstein, Michael McLaughlin, 2023-08-15 The United States is being bombarded with cyber attacks From the surge in ransomware groups targeting critical infrastructure to nation states compromising the software supply chain and corporate email servers malicious cyber activities have reached an all time high Russia attracts the most attention but China is vastly more sophisticated They have a common interest in exploiting the openness of the Internet and

social media and our democracy to erode confidence in our institutions and to exacerbate our societal rifts to prevent us from mounting an effective response Halting this digital aggression will require Americans to undertake sweeping changes in how we educate organize and protect ourselves and to ask difficult questions about how vulnerable our largest technology giants are If we are waiting for a Cyber 9 11 or a Cyber Pearl Harbor we are misunderstanding how our adversaries wage cyber warfare This is a timely and critically important book No other book has analyzed the threat of cyber warfare with the depth and knowledge brought to the subject by the authors It has now become a cliché to argue that a whole of government or whole of society response is necessary to respond to this crisis but that concept has never been more important It will take many years and billions of dollars to even begin to secure our IT systems and prevent the slow rot that is destroying America Using language that the layman can understand we wish to educate Americans about what has happened and inspire them to seek solutions

Social Media Cultures Dhiraj Murthy, 2024-12-15 In *Social Media Cultures* Dhiraj Murthy provides a theoretically grounded historical exploration of the social media landscape Uniquely tracing the evolution of social media from traditional media like letters postcards and the telephone to new media and platforms Murthy argues that these contemporary phenomena are not divorced from their analog antecedents The historical and theoretical frameworks employed in this book allow readers to better understand the intricacies of nuanced modern dynamics like cancel culture self expression and celebrity influence Focusing on mobility political discourse and the power of witnessing from global perspectives Murthy uses empirical case studies from both the Global South and North to demonstrate the profound impact of social media on culture politics and everyday life Ultimately Murthy encourages readers to reflect on their roles within the broader social media ecosystem and to consider the far reaching consequences of social media engagement on a global scale Scholars of communication media studies social media and sociology will find this book of particular interest

Der Kampf ums Netz Thorsten Seifert, 2022-11-22 Es scheint dass seitens der Rechten moderne Medien hoffnungsvoll eingesetzt werden dabei aber eine gewisse Planlosigkeit vorherrscht und es an strategischer Planung mangelt Die vorliegende extensive Medienanalyse stellt Strukturen Funktionen gesetzliche Einschränkungen und kommunikative Möglichkeiten der digitalen Öffentlichkeit vor und legt damit den Grundstein für die gezielte Nutzung der gegenwärtigen Online Ressourcen statt in bloßen Klagen über mangelnde Meinungsvielfalt zu verfallen

Here Comes the Flood Moisés Park, Marcy L. Tanter, 2022-03-15 This collection breaks down the stereotypes often expected of Korean popular culture specifically examining issues of gender sexuality and stereotype in a variety of cultural products including K pop K drama and cover dancing through the lens of how Koreanness can be defined A diverse range of contributors showcase how Hallyu or the Korean Wave began as a wave rolling across Asia and morphed into a tsunami that has impacted every continent making Korean popular culture an industry that draws in fans on a global scale The stereotypes and issues being explored in this collection contributors argue are intertwined with how Koreans both at home and in the diaspora portray themselves publicly and consider themselves

privately In tandem with this international fans of Hallyu take part in the conversation through performance and imitation either reinforcing or breaking away from these stereotypes Contributors examine a wide variety of settings to connect the concepts of traditional Korean values to modern Korean society in a symbiotic relationship between these values and cultural content creators Scholars of media studies pop culture gender studies Asian studies sociology and cultural studies will find this book particularly useful *2023 4th International Conference on E-Commerce and Internet Technology (ECIT 2023)*
