They were delicious Loree proceeded to educate me about celiac disease a medical condition that nearly killed her before it was finally diagnosed and treated by removing all traces of gluten from her diet *Low Carb Yum Simple Keto Meals for Beginners* Lisa MarcAurele,2021-12 Drawing on global cuisines for inspiration this cookbook presents more than 125 keto friendly recipes for each meal of the day that are easy to make portioned for two and can be made in 30 minutes or less
