 Marketing Breakthroughs in Research and Practice contains a compendium of the latest academic material on the use
 strategies and applications of social media marketing in business today Including innovative studies on email usage social
 interaction technologies and internet privacy this publication is an ideal source for managers corporate trainers researchers
 academics and students interested in the business applications of social media marketing Code and the City Rob
 Kitchin,Sung-Yueh Perng,2016-04-20 Software has become essential to the functioning of cities It is deeply embedded into
 the systems and infrastructure of the built environment and is entrenched in the management and governance of urban
 societies Software enabled technologies and services enhance the ways in which we understand and plan cities It even has an
 effect on how we manage urban services and utilities Code and the City explores the extent and depth of the ways in which
 software mediates how people work consume communication travel and play The reach of these systems is set to become
 even more pervasive through efforts to create smart cities cities that employ ICTs to underpin and drive their economy and
 governance Yet despite the roll out of software enabled systems across all aspects of city life the relationship between code
 and the city has barely been explored from a critical social science perspective This collection of essays seeks to fill that gap
 and offers an interdisciplinary examination of the relationship between software and contemporary urbanism This book will
 be of interest to those researching or studying smart cities and urban infrastructure Glossy Marisa Meltzer,2024-06-04
 INSTANT NEW YORK TIMES BESTSELLER Financial Times Best Book of the Year The compulsively readable narrative of
 beauty business privilege and mogul dom The New York Times that reveals for the first time exactly wat happened at
 Glossier one of America s hottest and most consequential startups and dives deep into the enigmatic visionary woman
 responsible for it all Called one of the most disruptive brands in beauty by Forbes Glossier revolutionized the beauty industry
 with its sophisticated branding and unique approach to influencer marketing almost instantly making the company a
 juggernaut with rabid fans It also taught a generation of business leaders how to talk to Millennial and Gen Z customers and
 build a cult following online At the center of the story lies Emily Weiss the elusive former Teen Vogue superintern on the
 reality show The Hills turned Into the Gloss beauty blogger who had the vision guts and searing ambition needed to launch
 Glossier She cannily turned every experience every meeting into an opportunity to fuel her own personal success Together
 with her expensive signature style and singular vision for the future of consumerism she could not be stopped Just how did a
 girl from suburban Connecticut with no real job experience work her way into the bathrooms and boudoirs of the most
 influential names in the world and build that access into a 1 9 billion dollar business Is she solely responsible for its success

And why eight years later at the height of Glossier mania did she step down In Glossy journalist and author Marisa Meltzer combines in depth interviews with former Glossier employees investors and Weiss herself to bring you inside the walls of this fascinating and secretive company From fundraising to product launches and unconventional hiring practices Meltzer exposes the inner workings of Glossier s culture culminating in the story of Weiss herself The Devil Wears Prada for the Bad Blood generation Glossy is not just a gripping portrait of one of the most important business leaders of her generation but also a chronicle of an era
