Traffic Secrets Russell Brunson, 2020-05-05 Master the evergreen traffic strategies to fill your website and funnels with your dream customers in this timeless book from the 100M entrepreneur and co founder of the software company ClickFunnels The biggest problem that most entrepreneurs have isn t creating an amazing product or service it s getting their future customers to discover that they even exist Every year tens of thousands of businesses start and fail because the entrepreneurs don t understand this one essential skill the art and science of getting traffic or people to find you And that is a tragedy Traffic Secrets was written to help you get your message out to the world about your products and services I strongly believe that entrepreneurs are the only people on earth who can actually change the world It won t happen in

government and I don't think it will happen in schools. It'll happen because of entrepreneurs like you who are crazy enough to build products and services that will actually change the world. It'll happen because we are crazy enough to risk everything to try and make that dream become a reality. To all the entrepreneurs who fail in their first year of business, what a tragedy it is when the one thing they risked everything for never fully gets to see the light of day. Waiting for people to come to you is not a strategy. Understanding exactly WHO your dream customer is, discovering where they're congregating and throwing out the hooks that will grab their attention to pull them into your funnels where you can tell them a story and make them an offer is the strategy. That's the big secret. Traffic is just people. This book will help you find YOUR people so you can focus on changing their world with the products and services that you sell.

Million Dollar Weekend

Noah Kagan, 2024-01-30 AN INSTANT NEW YORK TIMES BESTSELLER. The founder and CEO of AppSumo.com, Noah Kagan knows how to launch a seven-figure business in a single weekend, and he's done it seven times. *Million Dollar Weekend* will show you how. Now is the best time in history for entrepreneurship. More than ever, the world needs new businesses, and it's cheaper than ever to create them. And let's be frank: most day jobs suck. People spend too much time doing too much work for too little money, and they know it. They want out. But if the barriers to starting a business are getting lower and lower, why is it SO HARD TO DO for SO MANY PEOPLE? Why are there so many wannapreneurs playing at business on social media and so few entrepreneurs actually running them? Ask yourself: Do you want to work for yourself or start a side hustle, but it all feels too risky and unpredictable? Have you spent time or money on things like websites and logos but still have no customers? Are you brainstorming endlessly and waiting for the perfect idea to strike? All those frequent excuses are solvable. The plan is

simple so simple it can be completed in a single weekend but so powerful that Kagan has used it to build seven businesses now worth more than 1 million Find your Creator s Courage to overcome your fear and have fun Use the Million Dollar Weekend Process to get customers EXCITED to give you money Automate your business so it can grow while you sleep By Monday you ll have a market tested scalable business idea and you ll be a entrepreneur on the path to seven figures Million Dollar Weekend is the path to creating your dream life and attaining financial freedom LFG *Instagram Marketing Mastery for Restaurants* Deepak, Are you a restaurant owner struggling to stand out online attract customers or turn Instagram into a real sales tool Posting random food pics and hoping for results doesn t work anymore It s time to take control with a proven strategy designed specifically for restaurants like yours Instagram Marketing Mastery for Restaurants is the ultimate step by step blueprint to help you attract more local customers boost online engagement and grow your restaurant business using Instagram even if you re not tech savvy or starting from scratch This ebook is perfect for Restaurant owners new to Instagram marketing Caf and cloud kitchen operators wanting consistent online growth Hospitality marketers seeking a proven social media strategy Small food businesses looking to build a loyal customer base Anyone in food service looking to turn followers into paying guests Inside you ll learn how to Set up an Instagram profile that drives bookings and orders Discover your unique brand voice to build emotional connection Plan and create mouth watering content that converts Use Reels Stories and Lives to build massive engagement Reach local customers using the right hashtags and timing Handle negative feedback with professionalism Run low cost high impact Instagram ads for real ROI Turn likes and followers into loyal customers and repeat business You ll also get A ready to use 30 day Instagram Action Plan Real life case studies from restaurants across the globe Useful tools content planners and caption templates Chapter based homework to guide you from zero to hero Whether you re running a food truck fine dining restaurant or home kitchen startup this ebook will help you cut through the noise build real relationships and turn Instagram into your most profitable marketing channel If you re ready to stop guessing and start growing this is the guide you ve been waiting for Start today Your next customer is just a scroll away **Instagram: How a Photo-Sharing App Achieved a \$1 Billion Facebook Buyout in 18 Months**

Sarita Harbour, 2012-07-30 ABOUT THE BOOK On April 5 2012 Instagram was valued at 500 million dollars as part of a new round of funding with investors Just a few days later Mark Zuckerberg CEO of Facebook negotiated to buy it for 1 billion 300 million cash and 700 million in Facebook shares CNN called it one of the biggest deals in recent business tech history not too shabby for a business only 18 months old and a great inspiration to small companies everywhere However Facebook s acquisition received mixed reviews and many raised eyebrows in the technology and business world As details emerge regarding the buyout and as analysts scramble to make sense of the deal there are many questions How did Zuckerberg and Kevin Systrom of Instagram arrive at a figure of 1 billion What implications does this deal have for Facebook when it goes public in an expected Initial Public Offering in May 2012 Why does Facebook want Instagram so badly What can

businesses learn from this deal and how the heck did a tiny company without any revenue become so desirable in just 18 months While Instagrams buyout by Facebook was viewed by many as a surprise acquisition it illustrates the increasing importance of the image based social sharing platforms in today s technology business world Facebook already had a photo sharing mobile photo sharing program but it was slow to load and clumsy to use For the past several years a team had been working on developing a solution As recently as last summer rumours circulated about a Facebook iPhone photo sharing application that would make it easier for users to upload edit and share their photos With changes in team members and little to show for their work nothing more was heard of Facebook s progress until February 2012 when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem Zuckerberg was reported in the New York Times piece With Instagram Deal Facebook Shows its Worth as saying We don t plan on doing many more of these if any at all but providing the best photo sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together It is safe to assume that Facebook s own product was not working out as hoped leading Zuckerberg to buy the best photo sharing experience instead of developing it In addition to examining details of the acquisition there are broader issues to address How can businesses use Instagram and Facebook to build their own brands What does this deal say about Facebook s predictions for the mobility market and photo sharing platforms While Zuckerberg s official statement is that Instagram will continue operating as a separate platform from Facebook and that people who have Instagram but aren t on Facebook can continue using their favorite app how will Instagram change now that it is owned by Facebook In this book we will address these questions and review a quick history of Instagram We ll examine the events of Easter weekend that led to the Instagram buyout and get a glimpse into the fast moving world of high tech business and multi billion dollar companies EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid 1 billion for a business that doesn t have any revenue Why In a nutshell Facebook purchased Instagram to take custody of its users before Facebook competitors did to strengthen its position in the mobile phone market and to get rid of a potentially difficult competitor As people in the tech world often say money follows the users The recent availability of Instagram for Android users had Zuckerberg concerned especially when the Instagram user population jumped by 10 million people in 10 days buy the book to continue reading [Train Like a Human: Movement for Life, Not Instagram](#) Michelle Grain, Forget flashy gym selfies and chasing viral trends Train Like a Human is your down to earth guide to moving your body in a way that actually improves your life Rooted in science common sense and a healthy dose of humanity this book shows you how to build strength flexibility and endurance that serve you for years to come Whether you re a fitness newbie or tired of the Instagram highlight reel discover how to train smarter move naturally and reclaim fitness as a lifelong journey not a quick fix or performance for likes This is fitness for real people in the real world on your terms [Reels, Stories, Sales: The Instagram Marketing Playbook for 2025](#) Pradeep Maurya ,2025-04-08 Want to dominate Instagram in 2025 Reels Stories Sales The
