[Hiring Manager Name],

I am writing to apply for the position of Cyber Security Engineer at [Company Name]. As a recent graduate with 0-2 years of experience in information security, I am confident that I have the necessary qualifications and technical knowledge to join your team.

Through my course of study, I gained a comprehensive understanding of computer networking and security principles. I am well-versed in the fundamentals of security operations, compliance, and risk management. I have also obtained knowledge in cryptography, encryption, cyber forensics, and other areas of cybersecurity.

I have experience in automating security processes, such as patching, vulnerability scanning, and malware protection. With my extensive technical knowledge, I am able to create and implement security solutions that are tailored to the needs of the organization. In addition, I have the ability to analyze and interpret security reports.

I am highly organized and have excellent problem-solving skills. I am a team player who enjoys working with others to find solutions to complex security issues. I am also a quick learner who is eager to continually develop my skills and knowledge in cybersecurity.

I am confident that I have the skills and qualifications necessary to be a successful Cyber Security Engineer at [Company Name]. I look forward to speaking with you further about my candidacy.

Sincerely,

[Your Name]
