a larger number of visual and sound distortions perhaps tying up more cognitive capacities while pressing their untruthful arguments We show links between inaccurate advertising and aggregate turnout individual turnout and individual political knowledge The news is not good in an age of post factual democracies Flexible Robot Manipulators M. Osman Tokhi, Abul K.M. Azad, 2008-05-20 This book discusses the latest developments in modelling simulation and control of flexible robot manipulators Coverage includes an overall review of previously developed methodologies a range of modelling approaches including classical techniques parametric and neuromodelling approaches and numerical modelling simulation techniques
