Pricing and Human Capital Stephan Liozu,2015-07-03 The pricing profession has come a long way from having a pure clerical function back in the 1970s to a more strategic one today pricing professionals are increasingly accepted as fully fledged members of marketing and finance teams However in many of these organizations pricing professionals are often misunderstood and neglected from a career and talent perspective Furthermore the literature is still silent on how to manage and develop pricing teams Pricing and Human Capital explores the specific nature of pricing human resources and focuses on how to manage pricing teams pricing talent pricing careers and how to organize the pricing function for success It is dedicated to the pricing function and is aimed at helping pricing professionals manage their career within marketing finance sales or IT departments By focusing on specific practical tips tools and recommendations that pricing and HR teams can adopt to improve their relationships and including extensive interviews with senior pricing executives it is the perfect toolkit for both HR and pricing professionals This valuable textbook with its collection of cases in pricing will also be essential for students and tutors of marketing and sales

Violence in Popular Culture Laura L.

Finley,2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue [#1 Best Seller](#)

Bryan W. Heathman,2018-06-01 The rules of book marketing are changing and the traditional rules of book marketing no longer apply A new era of marketing books is upon us an approach in which authors are authenticity engaging their audiences But how do you start Today s mega success authors are no longer writers but they are entrepreneurs who expertly work a strategy which leverages the power of social media search engine optimization SEO advertising speaking bookstore signings and a combination of other program that are incredibly rewarding to the author Every author wants a roadmap or a step by step guide for a successful book launch To book marketing professionals in large publishing houses this is the Holy Grail so they can repeat the success of their last book launch campaign With this system you will no longer have the guesswork associated with which marketing programs to run for a successfully launch of your book Bryan Heathman has managed hundreds of book marketing campaigns and scientifically created a repeatable 15 week system to promote non fiction books Bryan s approach to book marketing in this book was inspired by running massively successful campaigns which have resulted in New York Times best sellers Wall Street Journal best sellers Amazon 1 best sellers This book isn t like most marketing books which list a hundred things to do when marketing a book This approach is distilled into a manageable system of a 15 week burst of activity which when completed in a scheduled time frame are proven to produce the results you desire for a successful book launch Trust the system and eliminate the guesswork as you work towards your 1 best selling book **Value-creation in Middle Market Private Equity** John A. Lanier,2016-02-17 Value creation in Middle Market Private Equity by John A Lanier holistically examines the ecosystem relationships between middle market private equity firms and their portfolio companies Small business is the job creating engine in the US economy and consequently is a prime target market for private equity investment Indeed private equity backs over six of each 100 private sector jobs Both the small

businesses in which private equity firms invest and the private equity firms making the investments face inter and intra company fiduciary leadership challenges while implementing formulated strategy The architecture of each private equity firm portfolio company relationship must be uniquely crafted to capitalize on the projected return on investment that is memorialized in the investment thesis Given the leveraged capital structure of portfolio companies the cost of a misstep is problematic Individual private equity professionals are typically members of multiple investment teams for the firm Not only may each investment team have its own unique leadership style but its diverse members have to assimilate styles for each team in which they participate relative to a specific portfolio company Acquisitions and their subsequent integrations add exponential complexity for both private equity investment and portfolio company leadership teams indeed cultural integration ranks among the most chronic acquisition obstacles Accordingly the stakeholders of private equity transactions do well to embrace leadership best practices in applying value creation toolbox best practices The perspectives of both the private equity investment team and the portfolio company leadership team are within the scope of these chapters
