Iris Has Free Time Iris Smyles,2013-05-01 Modeled on Dante s Divine Comedy and riffing on Proust s In Search of Lost Time Iris Has Free Time is a subtle complicated funny bold lyrical and literary book about youth time and what it means to grow up There I came across a cluster of NYU graduates standing in cap and gown They were laughing and posing for photos Was it June again already Their voices echoed through the subway tunnel Congratulations Congratulations their parents said And I wanted to yell Don t do it Go back You don t know what it s like Whether passed out drunk at The New Yorker where she s interning assigning Cliffs Notes when hired to teach humanities at a local college getting banned from a fleet of Greek Island ferries while on vacation or trying to piece together the events of yet another puzzling blackout I prefer to call them pink outs because I m a girl Iris is never short on misadventures From quarter life crisis to the shock of turning thirty Iris Has Free Time charts a madcap melancholic course through that curious age one s twenties when childhood is over supposedly An instant classic and essential reading for anyone who has ever been young

Character Limit Kate Conger,Ryan Mac,2024-09-17 Named a Best Book of the Year by Kirkus Reviews Riveting Character Limit offers a telling lesson in the cost of getting everything you want The Washington Post You couldn t hope for a better ringside seat on the unfolding drama Character Limit is a triumph The Guardian Masterful in how it paints a picture and puts you in the room with the famous entrepreneur Character Limit is a page turner Forbes Rising star New York Times technology reporters Kate Conger and Ryan Mac tell for the first time the full and shocking inside story of Elon Musk s unprecedented takeover of Twitter and the forty four billion dollar deal s seismic political social and financial fallout The billionaire entrepreneur and Tesla CEO Elon Musk has become inextricable from the social media platform that until 2023 was known as Twitter Started in the mid 2000s as a playful microblogging platform Twitter quickly became a vital nexus of global politics culture and media where the retweet button could instantly catapult any idea to hundreds of millions of

screens around the world unleashing raw collective emotion like nothing else before While its founder had idealistically dreamed of building a digital town square he detested Wall Street and never focused on building a profitable business Musk joined the platform in 2010 and by 2022 had become one of the site s most influential users hooking over 80 million followers with a mix of provocations promotion of his companies and attacks on his enemies To Musk Twitter once known for its almost absolute commitment to free speech had badly lost its way He blamed it for the proliferation of what he called the woke mind virus and claimed that the survival of democracy and the human race itself depended on the future of the site In January of 2022 Musk began secretly accumulating Twitter stock By April he was its largest shareholder and soon after made an unsolicited offer to purchase the company for the unimaginable sum of 44 billion dollars Backed into a corner Twitter s board accepted his offer but Musk quickly changed his mind forcing Twitter to sue him to close the deal in October The richest man on earth controlled one of the most powerful media platforms in the world but at what price Before long Twitter would be gone for good replaced by something radically different as Musk remade the company in his own image from the ground up The story of the showdown between Musk and Twitter and his eventual takeover of the company is unlike anything in business or media that has come before In vivid cinematic detail Conger and Mac follow the inner workings of the company as Musk lays siege to it first from the outside as one of its most vocal users and then finally from within as a contentious and mercurial leader Musk has shared some of his version of events but Conger and Mac have uncovered the full story through exclusive interviews unreported documents and internal recordings at Twitter following the billionaire s takeover With unparalleled sources from within and around the company they provide a revelatory three dimensional and definitive account of what really happened when Musk showed up spoiling for a brawl and intent on revolution with his merciless sycophantic cadre of lawyers investors and bankers This is the defining story of our time told with uncommon style and peerless rigor In a world of viral ideas and emotion who gets to control the narrative who gets to be heard and what does power really cost

The Animals Among Us John Bradshaw,2017-09-28 A pioneering study richly empathetically and affectionately respectful of the human animal bond Sunday Times Why do humans love animals The bestselling author of In Defence of Dogs and Cat Sense gives us the answers Keeping pets is expensive time consuming and seemingly irrational so why do so many of us have an animal in our lives Modern day pet keeping has been justified for many reasons from the potential therapeutic role pets can play to their appealing cuteness But pet keeping is much more than just a simple pastime It is part of the broader history of humanity s relationship with animals a relationship that comes from deep within our nature As John Bradshaw reveals in this highly original new work our connection with animals is one of the very things that makes us human In The Animals Among Us Bradshaw takes us to the heart of Anthrozoology a new science

dedicated to discovering the true nature and depth of the human animal bond Following the thread of our affection for animals from today s pet lovers all the way back to our ancient ancestors Bradshaw reveals how animals have always been an integral part of our lives indeed they have shaped the evolution of our minds and our bodies The ways in which we relate to animals today stem ultimately from our evolutionary journey from hominid to Homo sapiens An affinity for animals drove our evolution as humans Now as increasing numbers of species are under threat John Bradshaw shows us that pet keeping can act as a bridge between the domestic and the wild even aiding conservation If we lose the animals among us he warns we risk losing an essential part of ourselves The Scent Of Murder Barbara Block,2013-10-22 Robin Light was behind the fish tanks of her Syracuse pet shop when the teenager walked in the door With her electric blue hair corpse white lipstick and in your face nose ring Amy Richmond wasn t the type you could forget But her appearance paled beside the message she had for Robin Murphy said you d help me Murphy was Robin s ex husband who d lived fast and died too young And now his 15 year old daughter Amy was in trouble recently named the prime suspect in the sensational murder of her wealthy stepfather Suddenly the inveterate sleuth finds herself moving through the edgy drug infested world into which Amy has disappeared Hitting up on her street connections Robin plugs into a secret network of strippers addicts and runaways where a low life named Toon Town appears to be calling all the shots and where Robin has to find a terrified young girl before it s too late

The Business of Android Apps Development Mark Rollins,Roy Sandberg,2013-08-31 The growing but still evolving success of the Android platform has ushered in a second mobile technology gold rush for app developers Google Play and Amazon Appstore for Android apps has become the second go to apps eco for today s app developers While not yet as large in terms of number of apps as iTunes Google Play and Amazon Appstore have so many apps that it has become increasingly difficult for new apps to stand out in the crowd Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some strategic planning Written for today s Android apps developer or apps development shop this new and improved book from Apress The Business of Android Apps Development Second Edition tells you today s story on how to make money on Android apps This book shows you how to take your app from idea to design to development to distribution and marketing your app on Google Play or Amazon Appstore This book takes you step by step through cost effective marketing public relations and sales techniques that have proven successful for professional Android app creators and indie shops perfect for independent developers on shoestring budgets It even shows you how to get interest from venture capitalists and how they view a successful app vs the majority of so so to unsuccessful apps in Android No prior business knowledge is required This is the book you wish you had read before you launched your first app *Transcending CSS* Andy Clarke,Molly E. Holzschlag,2007 **A Time To Be Deborah** Joyce Carlin,2009-01-08 A Time To Be Deborah is a study of the Biblical Book of Judges focusing on the account of the prophetess Deborah and the Israelite military general Barak It is a political and historical work that compares and contrasts today s American political scene with that of the Israelites circa

1200 B C complete with pointed commentary and detailed statistics of the day This book is a call to arms intended for contemporary Christian women supporting a need for education activism and a return to Christian values in our nation Further it is a plea for obedience to God s laws and commands coupled with a faithful desire for deliverance This book reiterates a timeless warning that is as sobering in twenty first century America as it was in twelfth century B C Israel That warning may very easily herald the removal of God s hand from this land if historical lessons learned are not now applied Do not consider entering the voting booth without assimilating this information and committing yourself to the prevention of the demise of this great land Weekly World News ,1997-08-05 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www weeklyworldnews com is a leading entertainment news site **The Quiet One** , **Babies by the Bay** Michelle L.
