Hockey Fight in Canada

David Shoalts,2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers s bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the 5 2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers s broadcasts in the process In anticipation Rogers gave Hockey Night in

Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015 16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business
