Nhl Opening Night Prices Warranty:

Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26

A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise *Chill Factor* follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill *Chill Factor* takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other
