The French Betrayal of America Kenneth R. Timmerman,2005-03-22 Can we trust France Apparently not After more than 200 years of shared history and interests the U S France marriage looks as if it s ending in an acrimonious divorce Here is the shocking insider account In the wake of French behavior at the United Nations where Foreign Minister Dominique de Villepin systematically undermined the efforts of Secretary of State Colin Powell to convince the Security Council to authorize force against Iraq Americans have at best come to suspect our ally of double

dealing and at worst come to view them as the enemy Almost daily over the past year new stories have emerged of how the government of French President Jacques Chirac has sought to undermine the U S war on terror publicly sniping at America and inciting other countries to do the same What s wrong with France What s behind their recent perfidy According to bestselling author Kenneth R Timmerman the American public doesn t know half the story After they read *The French Betrayal of America* American anger at France will turn to outrage Timmerman who worked as a journalist in France for eighteen years and knows the players on both sides lifts the veil of Jacques Chirac s scandalous love affair with Saddam Hussein beginning in 1975 when he took him on a tour of top secret French nuclear facilities The French attitude toward the dictator which seemed to baffle American politicians was in fact entirely predictable Put bluntly it was all about money oil and guns Chirac needed Saddam s oil and Saddam s money and Saddam needed French weapons and French nuclear technology Despite this the relationship between France and America was not only amicable but at times very mutually beneficial That was until the most recent war on Iraq where France turned the tables engaging in dirty diplomacy and helping to sway other European countries to their side French war coverage was not merely one sided It was viciously inaccurate skewed and openly anti American Timmerman also presents incredible new evidence of France s duplicity including the fact that the French stood to gain 100 billion from secret oil contracts they had concluded with Saddam Hussein *The French Betrayal of America* raises questions of whether the nuclear cooperation agreements still in force with the French today should be canceled in light of France s behavior Our security interests no longer converge and our economic systems increasingly appear to be at loggerheads The war in Iraq harshly exposed French treachery and their desire to do business with the worst of international tyrants putting their economy their international standing and their relationship with a 200 year old friend in severe jeopardy **If Mama Ain't Happy, Ain't Nobody Happy!** Lindsey O'Connor, 2006-04-01 O Connor s bestselling message to moms gets a fresh new look that can appeal to the latest generation of new mothers struggling to find joy In practical chapters that can put a smile on every face Lindsey uncovers the secret hurdles women meet on their way to joy **How Westminster Works . . . and Why It Doesn't** Ian Dunt, 2023-04-13 Why do some prime ministers manage to get things done while others miserably fail What is a special adviser and how did they take over British political life And why is the House of Lords more functional than most people think Most of us have a sense that our political system doesn t seem to work but struggle to articulate exactly why And for good reason our political and financial institutions are cloaked in secrecy archaic terminology ancient custom and impenetrable jargon Now expert political journalist Ian Dunt is lifting the lid on British politics to expose every aspect of the setup in a way that can be understood and challenged From Downing Street to Whitehall the Commons to the Lords this book is an indispensable guide to our political system and how we might begin to fix it
