'80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film as it is now known came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger, and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit, especially with the advent of direct-to-video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity, and sheer weirdness of 80s low budget action cinema, from the American Ninja series to dime-a-dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad*, and *Samurai Cop*.

Prodigal Daniel Burkhart, 2020-03-31 This is the story of my life. My life was filled with moments full of bad decisions, terrible situations, and living many years away from God's will. I wanted to share my life with you so that you know you are not alone. *Prodigal* tells the compelling story of a young man that decides to go away from the Church and the Lord in his early adult years. Follow Daniel on a journey into his own pit of despair. Many Christians today follow the same path of Daniel; we all know someone who has found themselves on the wrong path. Perhaps that person is ourselves. *Prodigal* serves as a message of warning but also a message of hope and forgiveness. Redemption is for everyone; there is always rest to be found in the loving embrace of our Heavenly Father.
