grade 3-4

Read the following opinions about watching movies

Going to the cinema is one of my favorite hobbies. I've been going to the movies since I was a little girl. Back then I used to go with my parents and my brother. We used to watch all Walt Disney movies. Now I usually go to the cinema with my friends. We like to watch romantic comedies and fantasy movies. Going to the cinema is fantastic. I wish I could go more often, but I'm only allowed to go on weekends because of school.

Sarah, 16, London

I'm not really a big fan of going to the cinema. I like movies, but I don't like the idea of being in a room with a lot of strange people to see a movie. I prefer staying at home, invite some friends over and rent a DVD. I actually do that quite a lot. I make a big bowl of popcorn, put some pillows on the floor and we're all set for movies night. To decide what to watch we usually vote, then instead of going home they all sleep over and we talk, listen to music and dance a lot. It's very cool! Isn't it better than going to the cinema?

Katy, 15, Oxford

I like going to the movies. I usually go with my friends and sometimes with my girlfriend. I love my girlfriend, but I really don't like going to the cinema with her.....I prefer going with my friends. Why? Well, because they like the same kind of movies as me. We love watching adventure movies or scary movies. When I go with my girlfriend we only watch musicals or comedies.....boring!

Jack, 16, Birmingham

Reading Comprehension Gr. 5-8 Brenda Rollins, 2009-09-01 A child's ability to read and comprehend the written word is his touchstone to success in school and in life. Designed to teach the reading skills that are basic to reading fluency, our resource emphasizes the primary building blocks of reading acquisition. Start off by identifying the main idea of a passage. Find out how details will point to the most important part of a story. Then use graphic organizers to help identify context clues. Find out what questions to ask before drawing conclusions. Gather all the facts and prior knowledge to help. Learn all about making inferences and how clues from the text and your own knowledge and experiences will tell you what the author is trying to say. Discover the differences between facts and opinions. Learning to read between the lines will help with comprehension. Finally, discover transition words as you learn about sequencing. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, crossword, word search, comprehension quiz, and answer key are also included. *25 years CAT Topic-wise Solved Papers (2018-1994) with 6 Online Practice Sets 12th edition* Deepak Agarwal, Shipra Agarwal, 2019-03-02 This title contains an Access Code along with instructions to access the Online Tests.
