Skoolie! Will Sutherland, 2019-10-15 School buses that have been converted into mobile living spaces known as skoolies are a natural extension of the tiny house craze. Buses are not only easier and safer to drive than an RV, they provide a jump start on the conversion process with frame, roof and floor already in place. Experienced builder Will Sutherland, whose creative school bus conversions have been featured in Road and Track and Popular Mechanics, is behind the wheel of this alluring look at life on the road. In addition to profiles of eight fellow skoolie fans and stunning photos of bus interiors designed for simple living, Skoolie does what no other book on the subject has: it offers a complete step-by-step guide to the conversion process from seat removal to planning layout and installing insulation, flooring and furnishings that meet your needs. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

Microshelters Nathan Marley, 2017-04-06 Getting Your FREE Bonus Download this book, read it to the end and see BONUS Your FREE Gift chapter after the conclusion. Microshelters FREE Bonus Included: 30 Ideas For Building and Living Well In Tiny Houses, Tree Houses and Other Small Structures. Microshelters are becoming a popular alternative to the traditional home. The theory is that what you lose in space you gain in a variety of other ways. For example, less living space equals less cleaning time and less clutter. With limited space you simply cannot afford to leave items sitting around. The biggest benefit of the microshelter is not actually the drastically lower monthly bills. In fact, the best benefit is the increased amount of free time. This allows you to spend time with your loved ones and spend more money treating them or yourself as your outgoings will have reduced dramatically. Of course, changing homes and going against the general trend is not always an easy option. You will have doubts and concerns. Fortunately, by studying the ideas in this book, you should no longer be worried but excitedly planning your new home. An introduction to the microshelter, why it is becoming popular and why you might wish to consider this option. The tiny house is not a new concept. 10 different ideas on how you can create your dream microshelter. The traditional wood design is not the only option available. 10 ideas to help you design your microshelter. These will help to ensure you are comfortable, which is the first step to living well in your tiny home. 10 ideas regarding the best techniques to ensure you have everything you need in your home and are ready to start improving your life.
