MIGRATION STATES AND WELFARE STATES

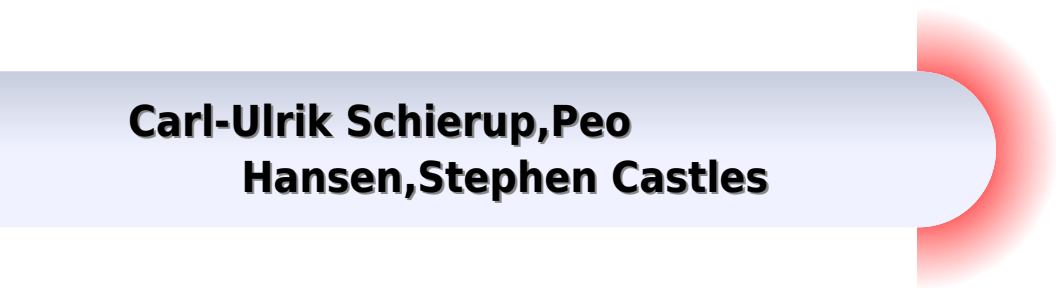

*Why Is America Different
from Europe?*

**Assaf Razin and
Efraim Sadka**

Migration States And Welfare States Why Is America Different From Europe

**Carl-Ulrik Schierup, Peo
Hansen, Stephen Castles**

Migration States And Welfare States Why Is America Different From Europe:

Migration States and Welfare States: Why Is America Different from Europe? A. Razin, E. Sadka, 2014-11-19 Over the last three decades Europe's generous social benefits have encouraged a massive surge of welfare migration especially of low skilled laborers At the same time the US has attracted many highly skilled migrants which in turn promotes internal innovation Restrictions on the international mobility of labor are arguably the largest policy obstructions for the international economy today A variety of studies suggest that even a small reduction in barriers to migration will result in the growth of significant global welfare benefits Migration States and Welfare States focuses on a central tension faced by policy makers in countries that receive migrants from lower wage countries Such countries are typically highly productive and rich in capital These attributes coupled with the host country's welfare system attract low skilled migrants who find a generous welfare state particularly attractive while deterring skilled migrants who recognize that welfare states likely have higher redistributive taxes

Migration States and Welfare States: Why Is America Different from Europe? A. Razin, E. Sadka, 2014-11-14 Migration States and Welfare States focuses on a central tension faced by policy makers in countries that receive migrants from lower wage countries

Migration, Citizenship, and the European Welfare State Carl-Ulrik Schierup, Peo Hansen, Stephen Castles, 2006-03-16 This book provides a major new examination of the current dilemmas of liberal anti racist policies in European societies linking two discourses that are normally quite separate in social science immigration and ethnic relations research on the one hand and the political economy of the welfare state on the other The authors rephrase Gunnar Myrdal's questions in An American Dilemma with reference to Europe's current dual crisis that of the established welfare state facing a declining capacity to maintain equity and that of the nation state unable to accommodate incremental ethnic diversity They compare developments across the European Union with the contemporary US experience of poverty race and class They highlight the major moral political dilemma emerging across the EU out of the discord between declared ideals of citizenship and actual exclusion from civil political and social rights Pursuing this overall European predicament the authors provide a critical scrutiny of the EU's growing policy involvement in the fields of international migration integration discrimination and racism They relate current policy issues to overall processes of economic integration and efforts to develop a European social dimension Drawing on case study analysis of migration the changing welfare state and labour markets in the UK Germany Italy and Sweden the book charts the immense variety of Europe's social and political landscape Trends of divergence and convergence between single countries are related to the European Union's emerging policies for diversity and social inclusion It is among other things the plurality of national histories and contemporary trajectories that makes the European Union's predicament of migration welfare and citizenship different from the American experience These reasons also account in part for why it is exceedingly difficult to advance concerted and consistent approaches to one of the most pressing policy issues of our time Very few of the existing

sociological texts which compare different European societies on specific topics are accessible to a broad range of scholars and students The European Societies series will help to fill this gap in the literature and attempt to answer questions such as Is there really such a thing as a European model of society Do the economic and political integration processes of the European Union also imply convergence in more general aspects of social life such a family or religious behaviour What do the societies of Western Europe have in common with those further to the East This series will cover the main social institutions although not every author will cover the full range of European countries As well as surveying existing knowledge in a manner useful to students each book will also seek to contribute to our growing knowledge of what remains in many respects a sociologically unknown continent The series editor is Colin Crouch

Immigration and Welfare State Retrenchment the late Dennis C. Spies, 2018-03-30 Is large scale immigration to Europe incompatible with the continent's generous and encompassing welfare states Are Europeans willing to share welfare benefits with ethnically different and often less well off immigrants Or do they regard the newcomers as undeserving and their claim for welfare rights as unjustified These questions are at the heart of what has to become known as the New Progressive Dilemma debate and the predominant answers given to them are rather pessimistic Pointing to the experiences of the US where a multi racial society in combination with a longstanding history of immigration encounters very limited welfare provision many Europeans fear that the continent's new immigrant based heterogeneity may push it toward more American levels of redistribution But are the conflictual US experiences really resembled in the European context Immigration and Welfare State Retrenchment addresses this question by connecting the New Progressive Dilemma debate with comparative welfare state and party research in order to analyse the role ethnic diversity plays for welfare reforms in the US and Europe Whereas the combination of racial patterns and party politics had and still has serious consequences for the US welfare system the general message of the book is that these are not resembled in the Western European context While many Europeans are very critical of immigration and willing to ban immigrants from welfare benefits both the institutional design of European welfare programs and the economically divided anti immigrant movement prevent immigration concerns from translating into actual retrenchment in the core areas of welfare

Migration and the Externalities of European Integration Sandra Lavenex, Emek M. Uçarer, 2002-01-01 Migration and the Externalities of European Integration analyzes the extra European dimension of the European Union's EU migration policies and the mechanisms developed to enforce the EU's policy decisions While previous scholarship has tended to overlook the consequences of Europeanization on actors outside the EU this work scrutinizes the foreign policy dimension in EU migration policies and highlights the Union's complex role as an international actor Written by scholars of migration policy the essays discuss the impact of EU asylum and refugee policy on Norway Switzerland Eastern Europe Euro Mediterranean and EU Turkish relations and the effect of migration on European immigration controls and welfare policy This comprehensive treatment of transnational migration will be a valuable resource for students of

international affairs European integration and international organization **Migrants and Welfare States** Larsen, Christian A., 2022-10-07 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com This timely book explores how Northern European countries have sought to balance their welfare states with increased levels of migration from low income countries outside the EU Using case studies of the Netherlands Germany Denmark and Sweden leading scholars analyse the varying approaches to this so called progressive dilemma **Triggerpunkte** Steffen Mau, Thomas Lux, Linus Westheuser, 2023-10-09 Soziale Konflikte sind nie einfach nur da sie werden auch gesellschaftlich hergestellt entfacht angeheizt getriggert Von einer Spaltung der Gesellschaft ist immer häufiger die Rede Auch in der Alltagswahrnehmung vieler Menschen stehen sich zunehmend unversöhnliche Lager gegenüber So plausibel sie klingen man genötigt werden entsprechende Diagnosen doch Fragen auf Wie weit liegen die Meinungen in der Bevölkerung wirklich auseinander Und ist die Gesellschaft heute wirklich zerstrittener als zur Zeit der Studentenproteste oder in den frühen Neunzigern Nicht zuletzt weil man eine Spaltung auch herbeiführen kann tut mehr Klarheit not Steffen Mau Thomas Lux und Linus Westheuser kartieren aufwendig die Einstellungen in vier Arenen der Ungleichheit Armut und Reichtum Migration Diversität und Gender Klimaschutz Bei vielen großen Fragen so der überraschende Befund herrscht einigermassen Konsens Werden jedoch bestimmte Triggerpunkte berührt verschärft sich schlagartig die Debatte Gleichstellung ja aber bitte keine Gendersprache Umweltschutz ja aber wer trägt die Kosten Eine 360 Grad Vermessung der Konflikte um alte und neue Ungleichheiten die eine unverzichtbare Diskussionsgrundlage bietet und viele Mythen entzaubert **States And International Migrants** Jeremy Hein, 2019-07-09 This book focuses on the relationship between international migrants and host societies and discusses the historical uniqueness of the Indochinese refugee migration for the U S and France It is more than the study of one refugee population and examines the relative importance of history *National Paradigms of Migration Research* Dietrich Thränhardt, Michael Bommers, 2010 The varying traditions in the migration research of different countries are closely connected to the respective national political landscape and the way in which the respective national state views itself affirmative and positive or perhaps more self critical Seen side by side much emerges to be discussed and challenged that was previously beyond doubt The present volume introduces the reader to the traditions of migration research in twelve different countries the more traditional immigration countries of Canada and Australia four European countries with decades of experience United Kingdom Germany Austria Netherlands countries newer to immigration such as Italy Poland and Japan and finally the postcolonial countries of India Malaysia and Nigeria Through this comparative approach this volume presents a new approach to understanding the different research traditions The reader is confronted with the various ways in which emigrants are included or excluded from society thereby gaining an understanding of the existing intellectual discourses as well as learning to qualify them in the light of other solutions and traditions Because the approaches of the respective migration research tradition are not always the same the volume is attractive for a number of

professionals Sociologists political scientists ethnologists economists and philosophers can join together to discuss the terms migration integration and their relationship to social structures This in turn challenges premises that previously were held to be a matter of course

Migration und Globalisierung in Zeiten des Umbruchs Altenburg, Friedrich, Faustmann, Anna, Pfeffer, Thomas, Skrivaneck, Isabella, 2017-12-29 sterreich hat wie viele europ ische L nder eine lange Tradition der Zuwanderung Die Migrationsbewegungen haben in den letzten Jahrzehnten mit fortschreitender Globalisierung stark an Dynamik gewonnen Die Integration von MigrantInnen wurde damit zu einem zentralen gesamtgesellschaftlichen Handlungsfeld Migration durchdringt alle Gesellschaftsbereiche und macht soziale wirtschaftliche und politische Umbr che sichtbar Migration und Globalisierung in Zeiten des Umbruchs spannt einen Bogen von zentralen konzeptionellen berlegungen der aktuellen Migrations und Integrationsforschung ber internationale konomische und politische Perspektiven auf globale Migrationsbewegungen und die Auswirkungen der Fluchtmigration hin zu spezifischen Aspekten von Migration und Integration in sterreich Arbeitsmarkt Bildung soziale Ungleichheit und inter und transdisziplin ren Perspektiven Damit gibt der Sammelband einen umfassenden Einblick in den aktuellen Stand der internationalen und nationalen Migrations und Integrationsforschung Gudrun Biffl ist eine Pionierin in der wissenschaftlichen Auseinandersetzung und Etablierung der Migrationsforschung in sterreich Ihr ist diese Festschrift gewidmet

Migration im Spannungsfeld von Globalisierung und Nationalstaat Dietrich Thränhardt, Uwe Hunger, 2013-07-02 Im Zusammenhang mit der globalen konomischen ffnung der Welt entfaltet sich heute zunehmend der Typ des Migrationsstaats der neben Kapital und G tern auch Menschen zul sst und deren Auswahl nach bestimmten Kriterien zu optimieren versucht Kapital Qualifikation Demografie Bindung zum Nationalstaat oder zu seinen Angeh rigen politische Pr ferenzen etc Der Band stellt die unterschiedlichen Facetten dieses Prozesses dar In einem zweiten Teil werden unterschiedliche Migrations und Integrationsweisen an Hand besonders aussagekr ftiger L nderbeispiele verglichen

Globalization, Migration, and Welfare State Assaf Razin, 2021-01-25 This book is about three key dimensions in economics globalization migration and the welfare state that are of enduring interest These issues are particularly important to consider at the present moment given the strains posed by the pandemic there is at least a temporary setback to trade globalization and migration and the cost of fighting the pandemic will strain the ability of governments to provide welfare state services in a style and scope to which many of their citizens have become accustomed The book explains the changing function of the welfare state in the presence of intensified globalization or de globalization forces The welfare state s policy maker attitudes toward openness and migration depend on open economy fundamentals and the income class it represents The author demonstrates the interactions between migration globalization and macroeconomic policy in practice using real world unique episodes with Israel deemed as well functioning trifecta and the US and Europe as imperfectly functioning trifecta

Handbook of the Economics of Population Aging John Piggott, Alan Woodland, 2016-12-01 Handbook of the Economics of Population Aging Volume 1A provides the economic literature on aging and associated

subjects including social insurance and healthcare costs This text explores the economic literature on aging and associated subjects including social insurance health care costs the interests of policymakers and the role of academics As the first of two volumes users will find it a great resource on the topics associated with the economics of aging Together with its companion volume 1B this work includes literature that has appeared in general economics journals in various field journals in economics especially but not exclusively those covering labor market and human resource issues information from interdisciplinary social science and life science journals and data presented in papers by economists published in journals associated with gerontology history sociology political science and demography amongst others Provides the latest economics literature on aging and its associated subjects including the aspects of social insurance and healthcare costs Includes valuable data from a variety of general economics journals and interdisciplinary social and life science publications Critical text for policymakers and academics that describes and analyzes valuable information since the inception of the study of the science of population aging in the late 1970s *Handbook on Migration and Welfare* Crepaz, Markus M.L., 2022-01-14 Bringing together prominent scholars in the field this Handbook provides an interdisciplinary exploration of the complex interrelationship between migration and welfare Chapters further examine the effects of emigration on sending societies exploring issues such as the impact of remittances diasporas and skill deterioration as a result of human capital flight on capacity building and on economic and political development more generally **European Citizenship and Social Exclusion** Maurice Roche, Rik Van Berkel, 2018-12-17 First published in 1997 this book aims to answer if European post national citizenship provide a practical opening and a conceptual challenge to cope with the diverse and close circuiting crises of national European social models What then might a new sphere of European social inclusion look like This book also provided the first attempt to go well beyond national gridlock Old solutions will no longer do Is new land in sight With monetary integration almost implemented this is a highly relevant exploration of a central complementary common currency in Europe s future *Wir, ein europäisches Volk?* Jürgen Gerhards, Holger Lengfeld, 2013-02-19 Die Eurokrise ist eine der schwersten Krisen der EU seit ihrer Gründung Bei ihrer Lösung geht es nicht allein um den Erfolg von konkreten wirtschaftspolitischen Maßnahmen sondern um den Zusammenhalt zwischen den Bürgern der verschiedenen Mitgliedsländer Jürgen Gerhards und Holger Lengfeld entwickeln ein Konzept einer sozial integrierten europäischen Gesellschaft das auf der Annahme beruht dass sich die EU Bürger unabhängig von ihrer jeweils konkreten nationalen Herkunft als Gleiche anerkennen Anhand von Daten einer Umfrage aus vier Ländern prüfen sie in welchem Maße die Europäer diese Idee einer europäischen Chancengleichheit unterstützen oder ob sie weiterhin einem nationalstaatlich geschlossenen Gleichheitskonzept anhängen Die empirischen Befunde der Studie stimmen optimistisch Die kulturellen Grundlagen für ein sozial integriertes Europa scheinen gegeben zu sein da sich die Bürger der Europäischen Union in hohem Maße als Gleiche anerkennen sich kaum gesellschaftliche Konfliktlinien um die Zubilligung gleicher Rechte für Bürger aus anderen EU Ländern zeigen und die

Menschen sich auch in der Alltagspraxis weitgehend an diesen Werten orientieren *Free Movement of Persons Within the European Community* Anne Pieter van der Mei, 2003-02-24 This book explores the extent to which European Community law confers upon individuals the right to gain access to public services in other Member States Are European citizens and third country nationals who have moved to other Member States entitled to claim minimum subsistence benefits to receive medical care or to be admitted to education Does Community law provide for a freedom of movement for patients students and persons in need of social welfare benefits If so to what extent does Community law have regard for the Member States fears for and concerns about welfare tourism Besides addressing numerous detailed questions on the precise degree to which Community law allows for cross border access to public services the author analyses how Community law and the Court of Justice in particular have sought to reconcile the Community s objectives of realising freedom of movement and ensuring equality of treatment with the need to develop and maintain adequate social services within the Community In addition the book contains a detailed analysis of United States constitutional law on cross border access to public services exploring the question whether the European Community can possibly learn from the American experience Routledge Handbook of Immigration and Refugee Studies Anna Triandafyllidou, 2022-12-30 The Routledge Handbook of Immigration and Refugee Studies offers a comprehensive study of the multi disciplinary field of international migration and asylum studies The new edition incorporates numerous new chapters on issues including return migration the relationship between urbanisation and migration the role of advanced digital technologies in migration governance decision making and human agency and the COVID 19 pandemic and its impact on global migration Utilising contemporary information and analysis this innovative Handbook provides an in depth examination of the major analytical questions pertaining to migration and asylum whilst discussing key areas such as work welfare families citizenship the relationship between migration and development asylum and irregular migration With a comprehensive collection of essays written by leading contributors from different world regions and covering a broad range of disciplines including sociology geography legal studies political science and economics the Handbook is a truly multidisciplinary reader Organised into thematic and geographical chapters the Routledge Handbook of Immigration and Refugee Studies provides a concise overview on the different topics and world regions as well as useful guidance for both the starting and the more experienced reader The Handbook s expansive content and illustrative style will appeal to both students and professionals studying in the field of migration and international organisations *Selected Topics in Migration Studies* Frank D. Bean, Susan K Brown, 2023-03-01 This book provides a collection of key papers about migration focusing on multiple aspects of international and internal migration in various times and places Because migration has been such an important part of global peopling the book contains synopses of major geographic movements from ancient and early history as well as the present It includes material from anthropology archaeology criminology demography economics ethnic studies geography health sciences history law public policy political science psychology and sociology By

providing a treatment of migration that is multifaceted comparative and multi disciplinary it offers not only a basis for conceptualizing broad features of migration and their changes but also one for discerning the formal and informal policy auspices that have influenced migration The book thus constitutes a significant resource for students teachers practitioners scholars and researchers interested in or working on aspects of migration in any field It should be particularly useful for people seeking information and knowledge about migration from fields other than their own **Handbook of**

International Migration Steven J. Gold, Stephanie J. Nawyn, 2013-05-02 This revised and expanded second edition of Routledge International Handbook of Migration Studies provides a comprehensive basis for understanding the complexity and patterns of international migration Despite increased efforts to limit its size and consequences migration has wide ranging impacts upon social environmental economic political and cultural life in countries of origin and settlement Such transformations impact not only those who are migrating but those who are left behind as well as those who live in the areas where migrants settle Featuring forty six essays written by leading international and multidisciplinary scholars this new edition showcases evolving research and theorizing around refugees and forced migrants new migration paths through Central Asia and the Middle East the condition of statelessness and South to South migration New chapters also address immigrant labor and entrepreneurship skilled migration ethnic succession contract labor and informal economies Uniquely among texts in the subject area the Handbook provides a six chapter compendium of methodologies for studying international migration and its impacts Written in a clear and direct style this Handbook offers a contemporary integrated resource for students and scholars from the perspectives of social science humanities journalism and other disciplines
