work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work **Filmgenres und**

Jewish Stars Jonathan Branfman, 2024-06-18 Highlights how millennial Jewish stars symbolize national politics in US media Jewish stars have longed faced pressure to downplay Jewish identity for fear of alienating wider audiences But unexpectedly since the 2000s many millennial Jewish stars have won stellar success while spotlighting rather than muting Jewish identity In *Millennial Jewish Stars* Jonathan Branfman asks what makes these explicitly Jewish stars so unexpectedly appealing And

what can their surprising success tell us about race gender and antisemitism in America To answer these questions Branfman offers case studies on six top millennial Jewish stars the biracial rap superstar Drake comedic rapper Lil Dicky TV comedy duo Abbi Jacobson and Ilana Glazer man baby film star Seth Rogen and chiseled film star Zac Efron Branfman argues that despite their differences each star's success depends on how they navigate racial antisemitism the historical notion that Jews are physically inferior to Christians Each star especially navigates racial stigmas about Jewish masculinity stigmas that depict Jewish men as emasculated Jewish women as masculinized and both as sexually perverse By embracing deflecting or satirizing these stigmas each star comes to symbolize national hopes and fears about all kinds of hot button issues For instance by putting a cuter twist on stereotypes of Jewish emasculation Seth Rogen plays soft man babies who dramatize and then resolve popular anxieties about modern fatherhood This knack for channeling national dreams and doubts is what makes each star so unexpectedly marketable In turn examining how each star navigates racial antisemitism onscreen makes it easier to pinpoint how antisemitism white privilege and color based racism interact in the real world Likewise this insight can aid readers to better notice and challenge racial antisemitism in everyday life
