Middle East Introducing Issues With Opposing Viewpoints:

The Middle East Lauri S. Friedman, 2007 The power of the U S is greatly reliant on other countries International politics is incredibly complicated as our global world has thousands of moving parts This book serves as a terrific primer to understanding our relationship with the Middle East Essays are arranged in a pro versus con format across three chapters Each essay pairing represents divergent viewpoints which will activate your reader s critical thinking skills They will evaluate what causes conflict in the Middle East what could bring peace and what role the U S should play in the Middle East Essay sources include Donald Rumsfeld Isabelle Humphries George W Bush Gilbert Achcar Moshe Yaalon and Stephen R Shalom

State Violence and the Right to Peace Kathleen Malley-Morrison, 2009-10-22 A thought provoking revelation of the ways ordinary people conquerors and conquered imperialists and the colonized Christians Jews and Muslims think about war and peace Filled with personal reflections from every corner of the globe *State Violence and the Right to Peace* An International Survey of the Views of Ordinary People is a masterful portrayal of how people from diverse cultures religions and experiences think about war and peace Spanning four volumes *State Violence and the Right to Peace* brings together the views of shopkeepers day laborers clerical workers students teachers social workers veterans and others talking about governmental aggression torture and protesting acts of war These views from Europe North America South America the Middle East Africa and Asia are seen in the context of major historical battles including the empire building of Western European countries the emergence and contraction of the Soviet Union and the wars in the Middle East As this remarkable resource shows there are some surprising similarities in thinking about war and peace across nations and cultures and some equally surprising cases where opinions diverge

Genocide Margaret Haerens, 2012-06-11 Genocide is the intentional destruction of a national racial religious or ethnic group whether in wartime or peace In 1948 the United Nations adopted the Convention on the Prevention and Punishment of Genocide and yet this crime is still prolifically conducted by various regimes Articles and essays included in this must have volume explore issues related to recognizing analyzing and defining global genocide Topics covered include differing international views of what constitutes genocide Readers will learn about contemporary examples of genocide from countries such as the Congo Sri Lanka North Korea and the Sudan Expert sources help readers to understand the means of preventing and prosecuting genocide Readers will also analyze the legacy of genocide

The War on Terror Noah Berlatsky, 2012-07-20 While the War on Terror is a very familiar phrase to the American people many countries are embarked on their own War on Terror Give your readers a globally minded balanced book on this issue Readers will learn about this war in various countries including Israel Pakistan Somalia Afghanistan European nations and the U S Readers will explore the causes of terrorism issues of human rights governments responses to terrorism and the future of the War on Terror

Hoppenbrouwers, 2023-08-07 Introduction to Medieval Europe 300 1500 provides a comprehensive survey of this complex and varied formative period of European history within a global context covering themes as diverse as barbarian migrations the impact of Christianisation the formation of nations and states the emergence of an expansionist commercial economy the growth of cities the Crusades the effects of plague and the intellectual and cultural dynamism of the Middle Ages The book explores the driving forces behind the formation of medieval society and the directions in which it developed and changed In doing this the authors cover a wide geographic expanse including Western interactions with the Byzantine Empire the Islamic World North Africa and Asia This fourth edition has been fully updated to reflect moves toward teaching the Middle Ages in a global context and contains a wealth of new features and topics that help to bring this fascinating era to life including West Europe s catching up through intensive exchange with the Mediterranean Islamic world growth of autonomous cities and civic liberties emergence of an empirical and rational worldview climate change and intercontinental

pandemics European exchange with Africa and Asia chapter introductions to support students understanding of the topics a fully updated glossary to give modern students the confidence and language to discuss medieval history Clear and stimulating the fourth edition of Introduction to Medieval Europe is the ideal companion to studying the entirety of medieval history at undergraduate level *The Middle East* Bernard Lewis,2011-02-17 A brilliant survey of the history and civilisations of the Middle East by one of the world s greatest authorities on the subject In this immensely readable and wide ranging book Bernard Lewis charts the successive transformations of the Middle East beginning with the two great empires the Roman and the Persian and covering the growth of Christianity the rise and spread of Islam the waves of invaders from the east the Mongol hordes of Jengiz Khan the rise of the Ottoman Turks and the changing balance of power between the Muslim and Christian worlds This book is a masterpiece Sir Anthony Parsons Daily Telegraph *The Persian Gulf and the West (RLE Iran D)* Charles Kupchan,2012-04-27 This volume provides a broadly comparative and historical re examination of the fundamental strategic dilemmas that confront the Western world in the Persian Gulf region This systematic study of how the West has defined and dealt with its security interests in this region reveals three central strategic dilemmas strategy versus capability globalism versus regionalism and unilateralism versus collectivism The first part of the book focuses on US policy with particular emphasis on the Iranian Revolution and the Soviet invasion of Afghanistan The author explains why there has been a persistent gap between American perceptions of the Middle East and the political and strategic realities of the region The second part of the book examines the frustrated efforts of NATO members to form a cooperative response to their collective interests in the region *The Persian Gulf and the West* Charles Kupchan,2011-02-25 This volume provides a broadly comparative and historical re examination of the fundamental strategic dilemmas that confront the Western world in the Persian Gulf region This systematic study of how the West has defined and dealt with its security interests in this region reveals three central strategic dilemmas strategy versus capability globalism versus regionalism and unilateralism versus collectivism The first part of the book focuses on US policy with particular emphasis on the Iranian Revolution and the Soviet invasion of Afghanistan The author explains why there has been a persistent gap between American perceptions of the Middle East and the political and strategic realities of the region The second part of the book examines the frustrated efforts of NATO members to form a cooperative response to their collective interests in the region **Untold Histories of the Middle East** Amy Singer,Christoph Neumann,Selcuk Aksin Somel,2010-07-28 This book examines the historiography of the Middle East and the consequent silences or omissions It provides a collection of important histories from the modern era particularly relating to the break up of the Ottoman Empire to give a fuller account of the society culture and politics of the period *Slavery and Abolition in the Ottoman Middle East* Ehud R. Toledano,2012-02-01 In the Ottoman Empire many members of the ruling elite were legally slaves of the sultan and therefore could technically be ordered to surrender their labor their property or their lives at any moment Nevertheless slavery provided a means of social mobility conferring status

and political power within the military the bureaucracy or the domestic household and formed an essential part of patronage networks Ehud R Toledano's exploration of slavery from the Ottoman viewpoint is based on extensive research in British French and Turkish archives and offers rich original and important insights into Ottoman life and thought In an attempt to humanize the narrative and take it beyond the plane of numbers tables and charts Toledano examines the situations of individuals representing the principal realms of Ottoman slavery female harem slaves the sultan's military and civilian kuls court and elite eunuchs domestic slaves Circassian agricultural slaves slave dealers and slave owners Slavery and Abolition in the Ottoman Middle East makes available new and significantly revised studies on nineteenth century Middle Eastern slavery and suggests general approaches to the study of slavery in different cultures

Historical Dictionary of Arab and Islamic Organizations Sarah Tenney, 2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

The Modern Middle East Camron Michael Amin, Benjamin C. Fortna, Elizabeth B. Frierson, 2006-04-06 Collects English translations of various sources from 1700 to 2005 that offer information on the history development and policies of the Middle East

Introduction to Politics Robert Garner, Peter Ferdinand, Stephanie Lawson, 2020 The only introductory textbook to bring together theory comparative politics and international relations to provide the most comprehensive and global introduction to politics available

Middle East Historiographies Israel Gershoni, Amy Singer, Y. Hakan Erdem, 2011-06-01 This collection of ten essays focuses on the way major schools and individuals have narrated histories of the Middle East The distinguished contributors explore the historiography of economic and intellectual history nationalism fundamentalism colonialism the media slavery and gender In doing so they engage with some of the most controversial issues of the twentieth century Middle Eastern studies today cover a rich and varied terrain yet the study of the profession itself has been relatively neglected There is however an ever present need to examine what the research has chosen to include and exclude and to become more consciously aware of shifts in research approaches and methods This collection illuminates the evolving state of the art and suggests new directions for further research
