

CRIMINAL LAW

REQUIREMENTS: ACT + INTENT + RESULT = CRIME – DEFENSES (AIRCOC)

Abbreviation key: A. = Amendment; Art. = Article

ACT (ACTUS REUS)

1. **Definitions:** A voluntary act
2. Actus reus is satisfied by either:
 - A. **Volitional act**
 - i. Thoughts alone are insufficient to establish the actus reus element
 - (a) Some kind of action in addition to thoughts is required for a valid criminal prosecution
 - (b) A legislature cannot criminalize thoughts that it disagrees with [R.A.V. v. City of St. Paul]
 - (c) Thoughts plus an overt act or substantial step toward a crime can constitute an attempt crime; historically, attempt crimes were treated as misdemeanors; however, modernly, attempt crimes are classified as felonies
 - ii. Once an act is established, thoughts can be used by the prosecution as evidence of motive or intent
 - (a) The punishment for a battery offense can be enhanced because of the defendant's biased motive of selecting the victim on account of the victim's race [M.L.S. Mitchell]
- B. An **omission to act** where there is a legal duty to act

OMISSION

1. Legal duty to act created by:
 - A. Statute
 - i. Good Samaritan statutes mandate a duty to assist if one can assist without causing danger or peril to any persons; violation of a Good Samaritan statute typically constitutes a misdemeanor offense with a fine as punishment
 - B. Contract
 - i. A contract with a nursing home or private party to provide care; failure to provide the food and medical care that was contractually agreed on can establish the actus reus element necessary to prosecute the caregiver whose omission to act caused the death of a patient [Commonwealth v. Pettibone]
 - C. Voluntary assumption of care and seclusion
 - D. Special relationship
 - i. A parent-child relationship creates a duty to provide food, shelter, and protection for the child; a parent's failure to protect a child from physical abuse can establish the actus reus element necessary to prosecute the parent, even if the parent did not do any of the physical abuse, based on the parent's omission to affirmatively act to protect the child [Commonwealth v. Howard]
 - iii. A stranger does not have a duty to protect a child from physical abuse unless specifically required by a state statute
 - E. Wrongful creation of peril
- NOTE:** Failure to act where there is no duty to act does not create criminal liability

VOLUNTARINESS OF ACTS

1. Defenses to the actus reus element
 - A. **Involuntary**
 - i. Individual is drunk inside a private home and the police come into the home and forcibly carry the individual out to the street and charge the individual with drunkenness in public; the defense of involuntariness is valid [Martin v. State]
 - B. **Reflexive**
 - C. **Unconscious**
 - i. One who becomes unconscious and causes harm due to a sudden unexpected medical condition will have a valid defense that his/her act was involuntary and does not satisfy the requisite actus reus element, making the harm caused noncriminal; a sudden seizure, heart attack, stroke, or other disabling attack would qualify in this category [State v. Decina]
 - ii. However, when an individual becomes unconscious due to a known medical condition, the involuntary defense may be invalid, as the disregard of the known risk of the possible unconsciousness negates the concept of the unconsciousness being involuntary; an epileptic with a known history of seizures who takes the risk of driving, becomes unconscious, and causes harm would not have the benefit of the involuntary defense [State v. Decina]
 - iii. Unconsciousness due to voluntary intoxication is not a valid defense that the act that caused harm was involuntary; a drunk driver who becomes unconscious behind the wheel of a car cannot benefit from the involuntary defense and is still criminally responsible for the harm caused by the reckless disregard of the consequences of the act of driving while intoxicated [State v. Decina]
 - D. **Involuntarily intoxicated**
 - E. **Asleep** (i.e., sleepwalking)
 - F. **Convulsive** (i.e., epileptic)
- NOTE:** Not every act in the criminal transaction must be voluntary, but the crime must include a voluntary act to satisfy actus reus

INTENT (MENS REA)

SPECIFIC INTENT

1. Common law jurisdictions draw a distinction between specific and general intent crimes; Model Penal Code (MPC) jurisdictions do not
2. **Requirements**
 - i. Requires the doing of an act and doing it with specific intent to cause the social harm
 - ii. Must have the general intent to do the act,
 - iii. Must have the specific intent to achieve the consequences of the crime, and
 - iii. The actus reus and the specific intent must occur at the same time
 - (a) The requisite mens rea for 1st degree murder requires proof of a "specific intent to kill" (premeditated and deliberate killing of a human being), weighing the consequences, and specifically intending death
3. **Defenses to specific intent**
 - A. **Voluntary intoxication** is allowed in most states as a defense to a specific intent crime wherein the defendant's intoxication prevented the formation of the requisite specific intent needed to commit the crime (i.e., unable to intend the consequences of his/her actions); however, although voluntary intoxication may work to defend against a specific intent crime, it might not negate all criminal liability and other related general intent crimes could be validly charged
 - i. If a defendant asserts voluntary intoxication to defend against the specific intent element of premeditation and deliberation in a 1st degree murder charge, a voluntary intoxication defense may not protect the same defendant against the lesser offense of 2nd degree murder that requires only general intent
 - ii. Voluntary intoxication defenses are generally disfavored
 - iii. States are not required to recognize the defense of voluntary intoxication, and it is constitutionally valid to instead ban the defense of voluntary intoxication entirely, which some states have done [M.L.S. Egdahl]
 - B. **Involuntary intoxication** is accepted as a valid defense to mens rea
 - C. **Mistake of fact:** Even if the mistake is unreasonable, if in good faith, is a defense to mens rea
 - D. **Mistake of law:** a small category of criminal statutes that require, as an element of the crime, proof that the defendant knew the law prior to violating it (i.e., the defendant acted with knowledge that his conduct was unlawful)
 - i. Knowledge of law element found only in complex criminal codes (tax code, immigration law, regulatory laws, etc.)
 - ii. Even if it is unreasonable that defendant did not know the law, the defense can work if defendant was acting in good faith
4. **Examples of common law specific intent crimes**
 - A. 1st degree murder (premeditated and deliberate)
 - B. Attempt
 - C. Solicitation
 - D. Conspiracy
 - E. Assault
 - F. Robbery and larceny
 - i. Proof of "conditional" intent to harm satisfies statutory requirement [Hoffman v. U.S.]
 - G. Forgery
 - H. False pretenses
 - i. Statutory language must include "intent to defraud" [Bates v. U.S.]
1. **Embezzlement**

GENERAL INTENT

1. **Requirements**
 - A. All crimes require general intent
 - B. The general intent must occur at the same time as the actus reus
2. **Defenses**
 - A. **Mistake of fact** must be honest and reasonable but cannot be a legal or moral wrong
 - i. **Legal wrong-moral wrong exception:** Assuming the reasonable mistake, if the defendant's act would still be illegal or immoral, the mistake of fact defense is invalid because the defendant knew he was committing a wrong, just a different wrong
 - B. **Involuntary intoxication** is a defense, but voluntary intoxication is not a defense
3. **Examples of common law general intent crimes**
 - A. Rape
 - B. Battery
 - C. Involuntary manslaughter
4. **Transferred intent**
 - A. When the defendant intends a harmful result to Victim A and, in trying to carry out that intent, causes a harmful result to Victim B
 - i. Some courts apply transferred intent both to a completed crime and to an attempted crime
 - (a) Defendant A may be convicted of attempted murder of intended Victim B, who was not hit, and intentional murder of unintended Victim C [People v. Scott]
 - (b) Transferred intent also applied to affirm the 1st degree murder convictions where both the unintended victim and intended were killed [Lynch v. U.S.]
 - ii. Some courts do not apply transferred intent to attempted crimes
 - (a) If Defendant A shoots to kill Victim B, wounding B and Victim C, Defendant A may be charged with attempted murder of B but not C [People v. Cozzano; Bell v. State]
5. **Model Penal Code (MPC)**

Middle School Study Guide For Criminal Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Middle School Study Guide For Criminal Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Middle School Study Guide For Criminal Law has opened up a world of possibilities. Downloading Middle School Study Guide For Criminal Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Middle School Study Guide For Criminal Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Middle School Study Guide For Criminal Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Middle School Study Guide For Criminal Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Middle School Study Guide For Criminal Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Middle School Study Guide For Criminal Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Middle School Study Guide For Criminal Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Middle School Study Guide For Criminal Law is one of the best book in our library for free trial. We provide copy of Middle School Study Guide For Criminal Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Middle School Study Guide For Criminal Law. Where to download Middle School Study Guide For Criminal Law online for free? Are you looking for Middle School Study Guide For Criminal Law PDF? This is definitely going to save you time and cash in something you should think about.
