

INTRODUCTION

GENERAL INFORMATION

This Engine Shop Manual covers the Rotax V-810 engine. It should be used in conjunction with the appropriate **VEHICLE SHOP MANUAL**.

The information and component/system descriptions contained in this manual are correct at time of writing. BRP however, maintains a policy of continuous improvement of its products without imposing upon itself any obligation to install them on products previously manufactured.

BRP reserves the right at any time to discontinue or change specifications, designs, features, models or equipment without incurring obligation.

This Shop Manual uses technical terms which may be different from the ones of the **PARTS CATALOGS**.

When ordering parts always refer to the specific model **PARTS CATALOGS**.

ENGINE EMISSIONS INFORMATION

Refer to the appropriate **VEHICLE SHOP MANUAL**.

ENGINE IDENTIFICATION NUMBER (E.I.N.)

1. Engine Identification Number (E.I.N.)

CYLINDERS IDENTIFICATION

Throughout this Shop Manual, cylinders are referenced as 1 (front) and 2 (rear).

1. Cylinder 1 (front)
2. Cylinder 2 (rear)

TIGHTENING TORQUES

Tighten fasteners to torque mentioned in exploded views and/or text.

⚠ WARNING

Torque wrench tightening specifications must strictly be adhered to. Locking devices (e.g.: locking tabs, elastic stop nuts, self-locking fasteners, etc.) must be installed or replaced with new ones, where specified. If the efficiency of a locking device is impaired, it must be renewed.

Macintosh: The Missing Manual Nan Barber, David Reynolds, 2001-05-03 To the surprise of most Mac fans the number one bestselling Macintosh software is Microsoft Office for the Macintosh. It's by far the most popular Macintosh software and the first software purchase a new Mac user is likely to make. And for the first time Office 2001 comes without a single page of printed instructions. The packaging is a five inch square clear plastic case housing the CD ROM and little else. Fortunately Pogue Press O'Reilly is once again ready to embrace the befuddled and overwhelmed with Office 2001 for Macintosh: The Missing Manual. It tackles each of the primary Office applications with depth, humor, and clarity and provides relief for the hapless Mac user who'd rather read professionally written printed instructions than hunt through a maze of personality free help screens. The book is structured to help the beginner as well as the seasoned user. Part One provides an overview of Word. From What's New to Basic Word Processing to Document Design to Advanced Word Processing with in depth details on creating Web pages and performing mail merges using Word. Part Two covers the new Palm syncable calendar in Entourage including all aspects of email, how to best use the calendar and address book and crucial information on the Palm Hotsync. Part three explains all the finer points of Excel including Microsoft's exciting new List Manager specifically designed for creating and manipulating lists without the prerequisite of learning spreadsheet tools. Office 2001 for Macintosh: The Missing Manual is coauthored by a dream team of Missing Manual alumni. David Reynolds, executive editor of MacAddict magazine and coauthor of AppleWorks 6: The Missing Manual and Nan Barber whose efforts as the copy editor of the first four Missing Manual titles gave her an intuitive feeling for the friendly, funny, authoritative voice of the series. Once again the authors are joined by series founder David Pogue who has closely edited the book to ensure excellence of depth, accuracy, and prose.

Midwest Manuals: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
