Encyclopaedia Britannica, Inc.,2014-03-01 The Britannica Book of the Year 2014 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again *Swift for Absolute Beginners* Gary Bennett,Brad Lees,2015-01-02 The professional development team that brought you two editions of Objective C for the Absolute Beginners and have taught thousands of developers around the world to write some of the most popular iPhone apps in their categories on the app store have now leveraged their instruction for Swift Swift for Absolute Beginners is perfect for those with no programming background those with some programming experience but no object oriented experience or those that have a great idea for an app but haven t programmed since school Gary Bennett and Brad Lees are full time professional iOS developers and have developed a broad spectrum of apps for Fortune 500 companies The authors have taken their combined 12 years of writing apps teaching online iOS courses the experience from their first two iOS books along with their free online instruction and free online forum to create an excellent training book Topics include How to be successful at learning Swift Using Swift Playgrounds to learn iOS development quickly What is Object Oriented Programming What are Swift classes properties and functions Proper user interface and user experience design Swift data types integers floats strings booleans How to use Swift data collections arrays and dictionaries Boolean logic comparing data and flow control Writing iPhone apps from scratch Avoiding Swift pitfalls Many students have a difficult time believing they can learn to write iOS apps or just staying motivated through learning the process This book along with the free live online training sessions helps students stay motivated and overcome obstacles while they learn to be great iOS developers **The iphone 12 pro photography user guide** Wendy Hills,2020-12-14 A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot especially when that camera is the iPhone 12 Pro Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot especially when that camera is the iPhone 12 Pro The question then becomes are you making the most of that powerful tool in your pocket Do the photos you take seem to be from an amateur because of how blurry they look and very different from the kind of picture you had in mind to take If this is you and you want to be able to take incredible pictures with your iPhone then this book is for you At the end of this book you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look as you create jaw dropping landscapes food and travel photos of the events you are involved in The book starts by covering some of the basic things about the iPhone 12 Pro and the

relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it In no time after you start using this book you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills Some contents to expect to see in this book include How to create animojis and even share memoji with other types of phone users How to take stunning pictures for your social media platforms How to take stunning pictures with the portrait mode and lots more With this book in your hands you can move from being just a mediocre basic iPhone user to an iPhone photography specialist It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions If what you want is a go to guide on matters surrounding just iPhone photography then this is a great reference guide for you very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics Not only that but you can also order this book as a gift for a friend son daughter or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book Special Bonus That is not all at the end of this book we have a special gift for you something we believe you will love Click the Add to Cart to purchase on your closeout or click the Buy Now to purchase at least one copy now
