to modern times and provides tables charts and more Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles Books in Series, 1876-1949 R.R. Bowker Company,1982 Publishers Directory Gale Group,1999-07 No other directory matches the exhaustive coverage of the Gale Group s Publishers Directory It s the most comprehensive source of detailed information on more than 20 000 U S and Canadian publishers as well as small independent presses The latest edition adds approximately 500 new entries plus coverage on electronic formats such as CD ROM and database availability Entries provide complete contact information for each publishing company including address phone and fax numbers names of officials and managers number of new titles recently published target markets discounts available return policy and address Education in the New Age Alice Bailey,1954 Of the few specialised subjects included in these books by Alice Bailey and the Tibetan education is of primary importance Today we are losing the tendency to associate education only with the instruction of the young and with academic matters Education is or should be a continuous process from birth to death concerned not so much with the acquisition of knowledge as with the expansion of consciousness Knowledge of itself is a dead end unless it is brought into functioning relationship with environment social responsibilities historical trends human and world conditions and above all with the evolution of consciousness which brings the infinite vastness of an unknown universe within the range of the finite human mind To oversimplify can we say that education is a continuous process of learning how to reconcile the human and the divine elements in the constitution of man creating right relationship between God and man spirit and matter the whole and the part If this is education in the broader sense it is more specific and more concentrated when considered in the light of child training This book is so concentrated and specific spirit soul and body as an integrated unity and acceptance of the planetary whole as the area of personal experience and responsibility the educational needs of the child today are set out in specific terms Faults and inadequacies in the present educational systems existing in many parts of the world are enumerated and methods for the future suggested Emphasis is placed on the need for education in world citizenship Even before this book was first published this need had become startlingly apparent It is also clear however that since children naturally tend to accept without question those of other nations other races colour belief and social background a world consciousness and inclusiveness must first be generated in those adults responsible for the education and the training of the young Therefore this book includes a brief final chapter on the science of the Antahkarana that is with the creative effort to bridge in consciousness between the lower analytical knowledge gathering mind the soul and the higher mind which is an aspect of the divine Self the spiritual man meditation technique combined with the effort to apply spiritual principles to the daily life under any and all circumstances The building of the Antahkarana literally a bridge between the subjective and objective worlds creates a channel for the transmission of spiritual energies light and love and power These energies transform the daily life irradiate the personality and infuse the mind with creative thought consistent with the needs of the emerging Plan at the dawning of a new age So the enlightened adult can stimulate the soul of the child

enrich and enliven the mind and provide right opportunities for full development of the spiritual potential The books of Alice A Bailey written in cooperation with a Tibetan teacher between 1919 1949 constitute a continuation of the Ageless Wisdom a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period Intended to precede and condition the coming era the Alice A the teaching on Shamballa and the Path of spiritual evolution the spiritual Hierarchy the new discipleship and training in meditation as a form of service the teaching on the seven rays and the new psychology of the soul the teaching on esoteric astrology and the new world religion which emphasizes the common thread of truth linking all the major world faiths **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference
